

# Sport for Social Change (SSC) Nepal Factsheet

In cooperation with the Department of State and the Bureau of Educational and Cultural Affairs, PH International will recruit 10 Nepalese participants for the Sport for Social Change (SSC) Program. This program will provide **adaptive athletes, coaches, influencers, and community sports leaders** the opportunity to strengthen their leadership skills and to examine leadership development and community engagement through sport during a **10-day wheelchair sports exchange in the United States of America**. Furthermore, this program will provide participants with hands-on learning, interactive group and peer-to-peer activities, site visits, and community service experience to develop leadership abilities. Through this SSC program, participants will get a better understanding of how they can become active members of society and be more involved in their communities through sports.

## PROGRAM OBJECTIVES:

- Improve the individual knowledge and skills of adaptive athletes and coaches and deliver programs addressing key themes
