VoiceMessage.wav;

Hi there.

I'm not sure if this message was sent over in time for the April 10th CC meeting. I was out last week.

Hi, my name is Steve Cal. I'm calling in regards to a healthy C. 24 Dash 00036. I regarding 525 East Plumb Lane zone change. I was given another number other than this one that I called which is 393-400-4099. Same area code 775 and it says as long as I called that number before 4 p.m. I could reply I can State my opinion as to this project when I call. It tells me I'm calling after 4 p.m. The day prior to the commission. So I want to take my my comment and it won't provided which is which is should be incorrect because the meetings post to be tomorrow. So and it's not 4 p.m. Yet right now. It's 3:23 and I've been doing this now for a while. So I don't understand that. But anyway, I guess my position is I think I'd like to a post that I Have property at 1990 Perman within 750 feet. Apparently. I hope this project you know, we just keep on changing the Sony around this area constantly. I'm not so sure that The General commercial use is anywhere near the same type of traffic patterns and everything else and and outs of a busy street off of Plumbing in that area. So already congested. I think the professional Office building which are this current lease on 4 has a lot less regular traffic flow in and out off the screen that you office building usually has in at 8 out at 5 or something similar to that of General commercial if he put in like 711 or something who knows what it's just General commercial in the notice, then you can have more and more congestion in and out all the time on that road. And so I think the area is better served by leaving the zoning as it's been all along and to start, you know, discouraging all these continual zoning changes in this area. So that's my comment. My number is 775-560-4142. My name is Steve Clary g h i g l i t e r i live and I have property at 1990 Carmen and or trust Health with myself and my brother so that's my comment and Q for incorporating that hopefully that works. I might have time at this point to leave the message otherwise, and also try calling Carter Williams and left him a message earlier today, but could not reach him and get so that's it. Thank you. Bye.
