I am observing Plumas St. sidewalk project day by day and it gets stranger all of the time. Who is the contractor? Who's is in charge? Why are so many men standing around? Why is so much heavy equipment going idle? So much noise, so much trash improperly disposed. So much of their trash ends up on my property. I am 88 years old and cleaning up after these workmen is no fun. Who will ever use this sidewalk? There was a good sidewalk there (which no one ever used.) These men have dug or jackhammered it up. Is this project a training exercise?

There are BIG and essential difference between the CAC and the other recently disposed properties.

The other properties had operating businesses with active leases. One proposal was hand written! An old trailer shop and commercial gas station are not legacy properties.

The CAC is a legacy property in Reno.

Ms Duerr makes a great point: the process needs improvement.

Maybe this is a good project, but maybe someone else has a better idea and can make it happen.

You, as the council, don't know and are ill-equipped to make that judgement at this time.

My family lives nearby and enjoys Chrissie Caughlin Park multiple times a week. It is a clean, beautiful, and safe park. We would love to give back to the Park through a donation - ideally financially supporting a replacement of the existing playground structure. Afternoon speaking with the Parks department over the phone, I was instructed to email the parksdepartment@reno.gov email address with this topic. I have yet to receive a replace and have followed up multiple times over the past 2 weeks. Please ensure timely responses, no matter the communications channel, but especially if the staff is instructing the public to a specific type of communication. It's also odd that the department is unwilling to engage immediately for funding opportunities.

I am suffering from the enfringement on my right to the quiet enjoyment of my residence due to the nuisance of a neighbor, who happens to be J Resort, having a concert so loud that, 2 blocks away, is vibrating my walls. It is 10:30pm and I'm told by the Reno Police Department that there is no sound ordinance restriction in the city of Reno. I am baffled why someone would have the right to restrict another's quiet enjoyment into the night. The PD office said they are slated to go until midnight. This is unacceptable to anyone, but especially for those who have to get up and work in the morning. Please consider and address this situtation so that everyone in our city can live and thrive.

Subject: Citizen request to call for a cease fire

Hello esteemed politicians of Reno, NV. As a born and raised Nevadan, I am appealing to you to please call for an unequivocal end to the genocide happening right now in Gaza. There is no excuse for the behavior of Hamas, however the response from Israel is an undeniable attempt to wipe out all Palestinians. Please be vocal about support for a cease fire. Please be transparent about any funding that Nevada has unintentionally provided to accommodate this genocide, and please do not continue to fund or support the genocide in any way.

Thank you,
Concerned for our brothers and sisters in Palestine

When it became clear to me that the discussion was not going to talk about the elephant in the room, I raised my hand. But the microphone did not work,

The elephant in the room is crime. Along with increased density comes increased crime. Take a look at St. Louis if you don't believe me. What is the city planning to do to keep crime down?

Speeding on Veteran Parkway

Judy DeLong <delong.judy@gmail.com>

I am voicing my concern because last night there was ANOTHER accident at Carat and Veterans Parkway. My neighbors were out walking and were first on scene. Three cars, airbags deployed, vehicles most likely will be totaled. Injuries.

The speeding issue must be addressed. There have been numerous vehicle collisions. These speeding cars could end up in someone's house/yard causing serious damage to a person/property or another horse is killed.

Please take this seriously. We live at Carat & Veterans parkway.

Good evening,

This evening my husband and I were on a walk at approx 8:25 PM headed down Carat towards Veterans by La Casata when we heard a horrible multi vehicle crash. My husband, an officer of 25 years, immediately called 911 and took off running to help.

Vehicle 1 ran a red light. Vehicle 2 and 3 said they were driving 45 mph. This is not the first or second collision at Carat and Veterans.

Once again, I am asking you to please remove the 45 mph speed limit signs until we can go a significant period of time without incidents both on Carat/Veterans and Steamboat.

It is scary to try and turn onto Declan drive from Veterans, I am just waiting to be hit one of these days trying to get home.

Please lower the speed limit on Veterans that runs by all residential neighborhoods for the safety of everyone before we lose someone.

Sincerely,
Michelle Mariconi

Good morning,

We have inquired several times. This morning two more horses were hit which means two more people could be injured.

Between the horses, safety for the public, and trying to turn onto my street just to get home from Veterans to Declan with people pushing me at 50+ mph, I know its a matter of time...one of these days. 45 mph between rio wrangler and South Meadows is too fast!!!! PLEASE.... PLEASE remove the 45 mph signs leaving the 35 mph signs as the traffic is rapidly multiplying. Begging someone to please lower this limit since we already tried increasing speed control.

At 45 mph, people jump to 50+.

Please help the community to stay safe.

In addition, we've witnessed the horse connection volunteers trying to physically assist at times and cars speeding right by them at 50+ mph and almost hit ourselves when we slowed down for them.

Sincerely,
Michelle Mariconi

Verteran's Parkway Speed Limit

Last night at about 8:45pm I witnessed another injury traffic collision on Veterans Parkway and Carat Ave. Sadly, injury collisions on Veterans Parkway have become an almost weekly occurrence. The speed limit on Veterans between South Meadows and Highway 341 is TOO HIGH for the traffic volume and road conditions. The night time 35 mph limit is largely ignored and I have never seen it enforced. Please CHANGE THE SPEED LIMIT TO 35 MPH all the time, and then back it up with enforcement.

Thank you,

-Sean Mariconi

Planning Commission Public Comment

The public comment form has a new entry from the public.

Planning Commission Meeting Date	2024-04-17
Agenda Item or Case Number	Housing and Affordability Initiatives
Position	In Opposition
Comments	I am opposed to this initiative. Multi family infill in SFR zoning creates problems. Older neighborhoods already have inadequate parking, narrow streets in disrepair, old sewer mains, crowded schools, old or no sidewalks, lack of bus service. MF in SFR increases impact out of proportion for neighborhood traffic, trash, noise, light pollution (for safety in parking areas, walkways, etc.). It would decrease SFR home values. It also changes the character of the existing neighborhood, as MF residents don't have a vested interest in solving neighborhood problems. Possible increase of additional policing for an already stretched force for speeding and complaints. *I am also DISMAYED that the City Council Public Feedback Form is TURNED OFF for this item.*

Yeah, hi. My name is James Lamont. I'm the owner of mr. Bubble. Laundromat. We have 74 of them are located in the Reno area. We have a serious problem with homeless wanting to spend lots of time in and around the letter B the police. Generally do not want to trust pass them. So when I take them out or the please keep them out, they come right back and it literally will put a laundromat out of business financially within a week. Nobody comes. All I'm asking is that please have the officers trespass the individual they won't come back once they're trespass. Thank you very much.

Yeah, I would like to have posted complain about the homeless problem in West Reno west of Keystone on West 4th Street. There's about 6 or 8 camps that are popping up there and I keep calling Reno direct and complaining and nothing seems to be done about it. There's if you had West on 4th Street West of West of Keystone behind the wall, right on the corner of the gas station. There was a guy sleeping on the sidewalk the other day with his 10 and then if he keeps going Westmore, bye there's a little gas station there. There's a tent there right on the sidewalk. And then if you keep going farther west across from All American Storage as a whole Camp there we're Dickerson Road used to go into the tracks for some reason they like to hide it in there or gets the Railey and there's about 4 or 5 camps in there now and then if you keep going farther west on 4th Street, Across from the cemetery and Reno. Junkyard Reno Auto Records. There's a bunch of camps down in there on the south side of 4th Street. This is all on the south side of 4th Street. A lot of times are parked right next to the railroad tracks and they're in the trees there. There's 45 camps in there again, and now they're up on the railroad tracks on the south side. And if you keep going farther west up towards the Rio Vista trailer. Well, there's a couple of Jim's right there on the end of the trailer parks and there on the North side right where the the ditch crosses 4th Street and you know, I hate to keep complaining but this is just out of hand and you know, I truly feel for the homeless, but these people are just bombs and if if they don't want to play by the rules you guys just you just spent millions of dollars on a beautiful homeless facility down there on East 4th Street, and if they don't want to play by the rules and maybe you should kick him out of town and tell him not to come back by him a bus ticket, but you need to do something about it because it you know, I pay a lot of taxes in this town. I've lived here all my life. I'm 66 years old and I'm never seen Reno old turning into would it's turning into it's turning into a s* hole and 4th Street is one of the main arteries in the Reno off the freeway. And is that what you want people to see when they come in to Reno? You wonder why nobody wants to come up here to go? Bill anymore it's because although most people downtown and on 4th Street and I'm Virginia Street. So anyway, I've called being our direct probably 6 or 7 times now nothing's getting done. So maybe you guys can put a fire under somebody's ass and get a handle on this stuff because I don't need to see this stuff in my neighborhood. I'm really tired of it. Bye.**
