Resources

# City of Reno Flat Fields

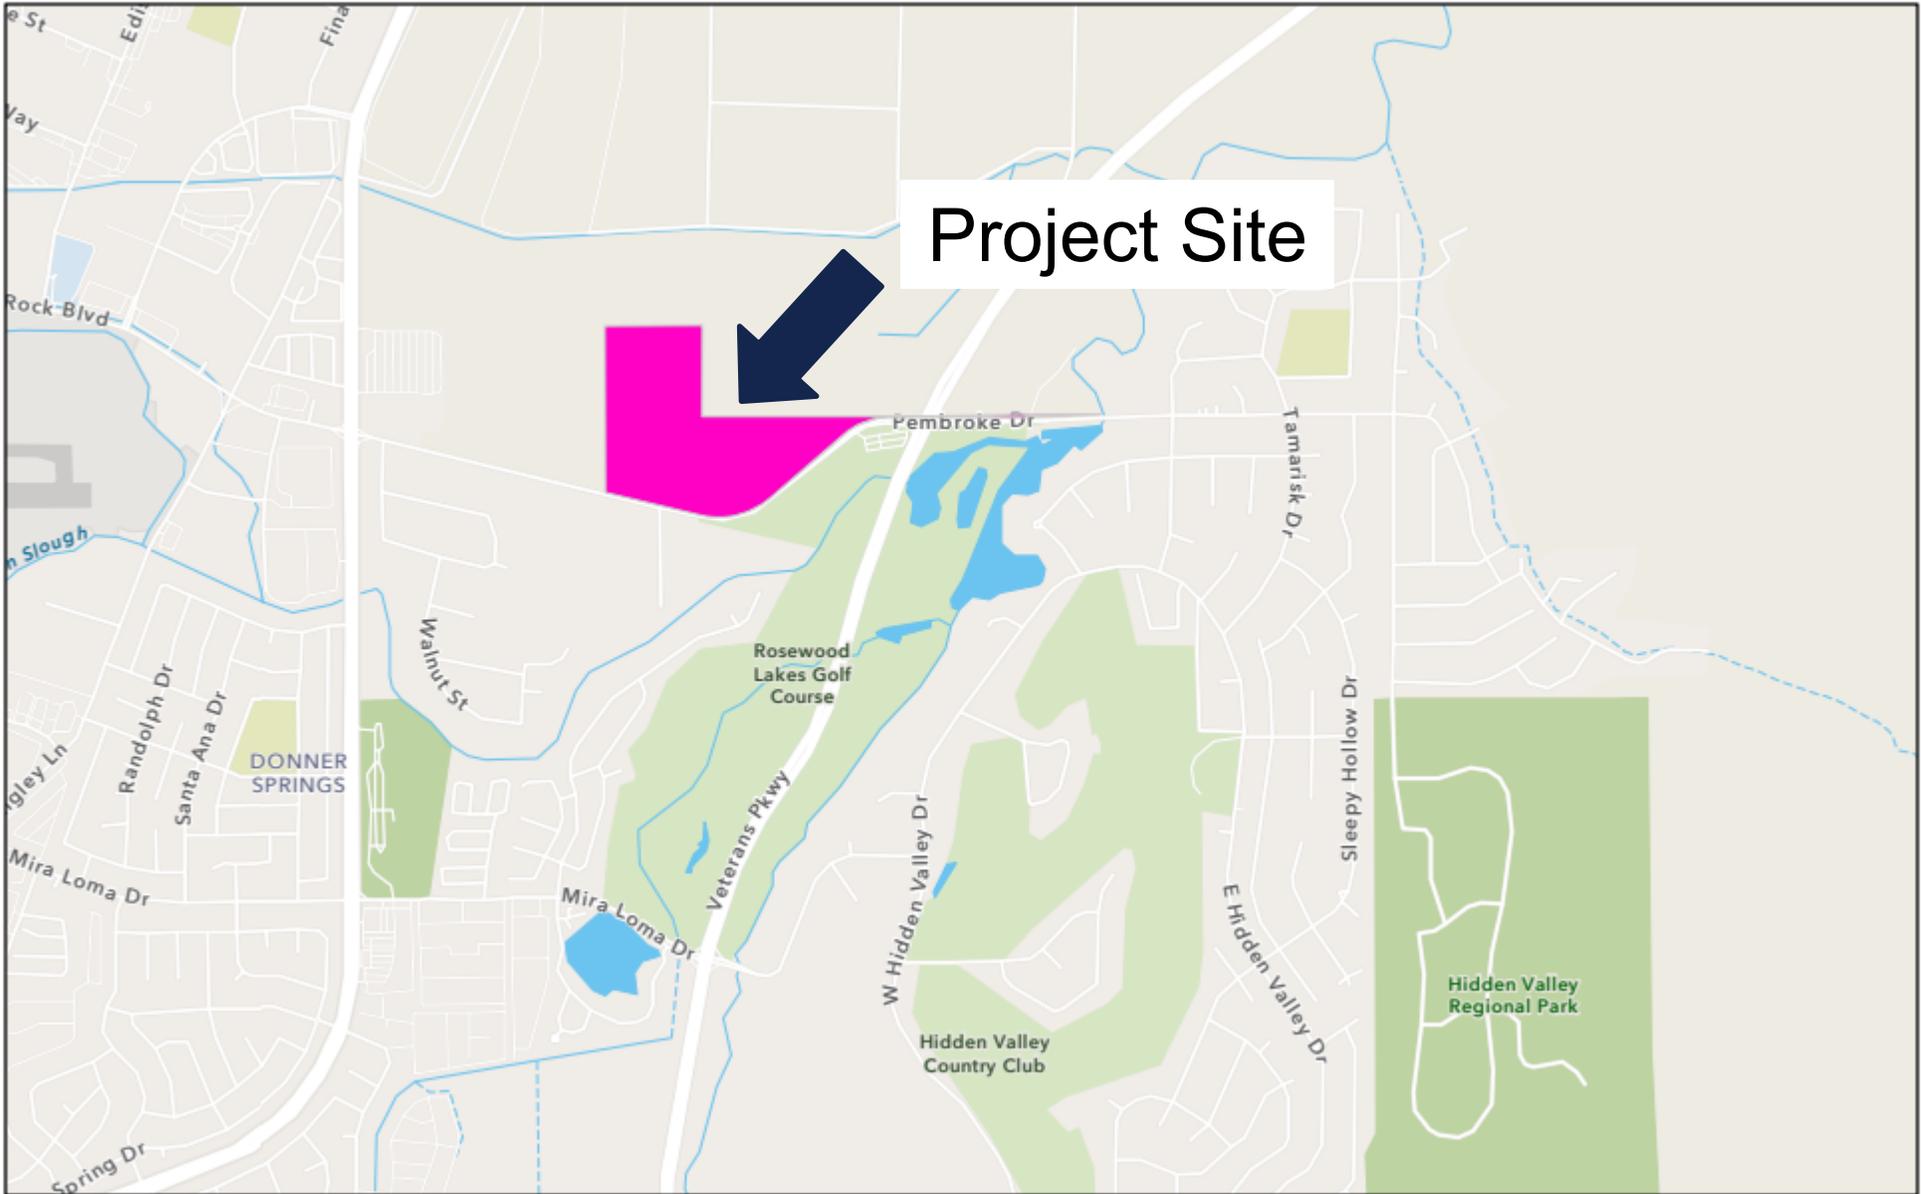

**Current:** 19 City owned flat fields + Use of additional 19 fields through WCSD

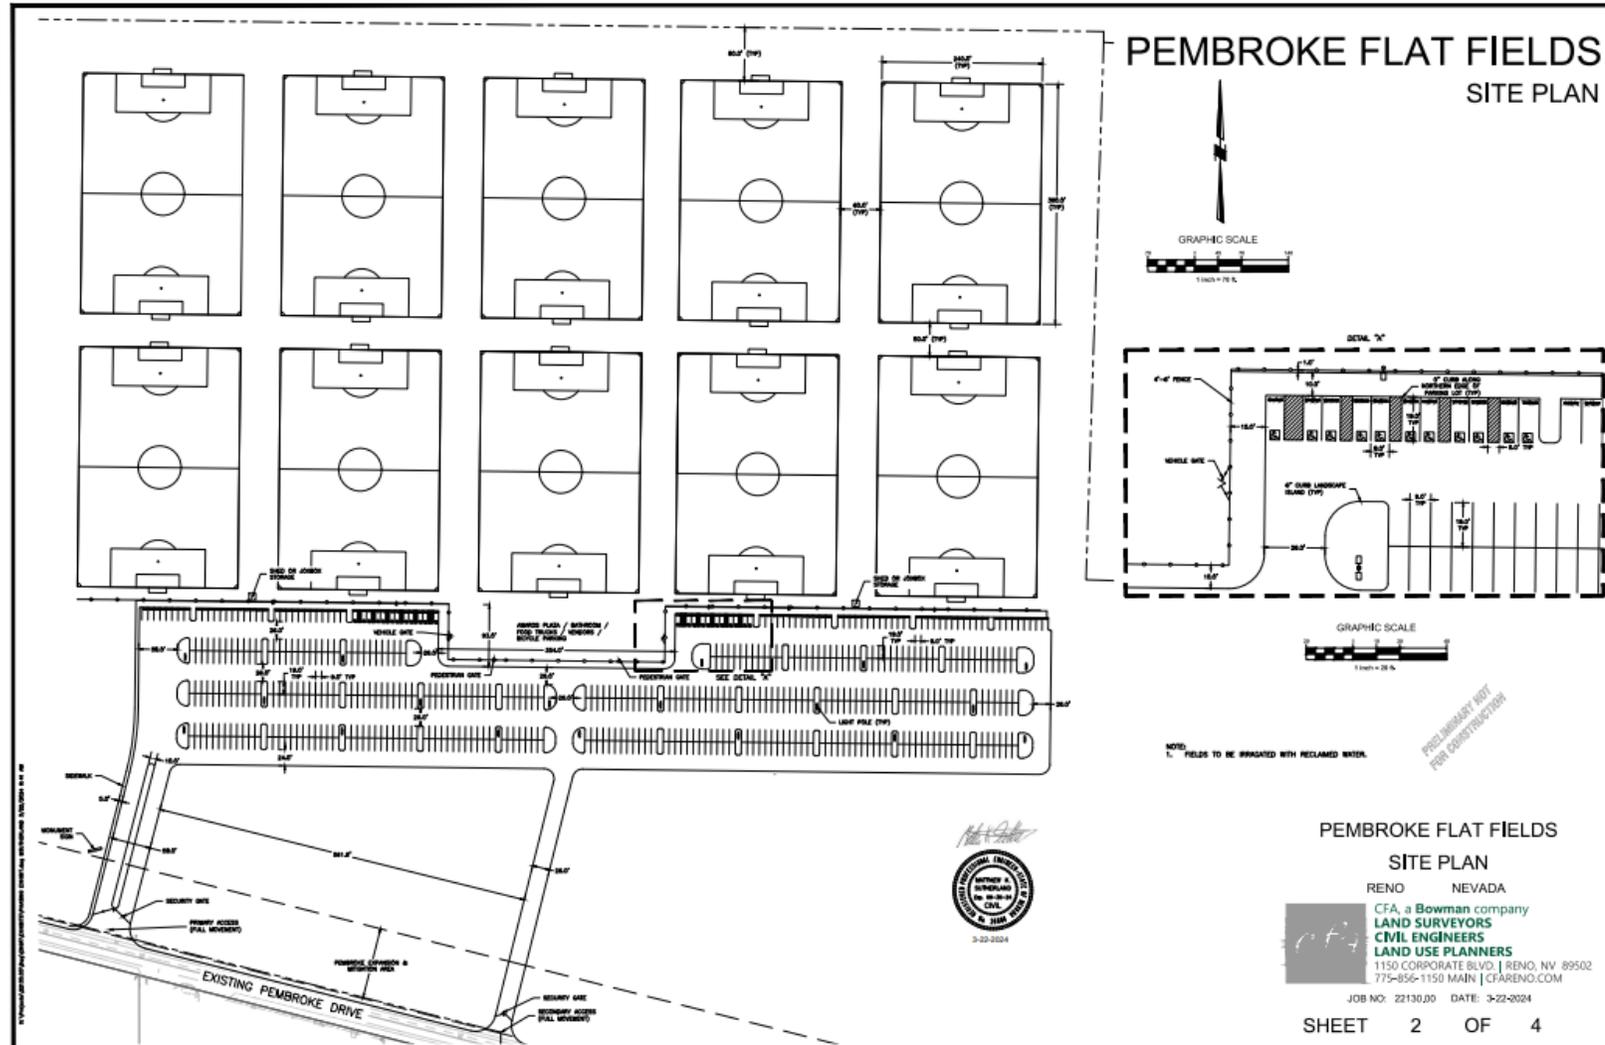

**Need:** 1 flat field per 5,000 residents per PROS Plan

**Progress:** Pembroke Project is a 28% Increase

# Site Plan Provided by CFA, Inc.

# Recommended Motion

Staff recommends Council direct staff to advertise an RFP to identify potential partners to design, build, maintain, and operate the project.
