Explain briefly why you would like to be appointed to this board or commission.

I have always been a huge fan of Reno. While I have had the opportunity to live overseas in multiple countries I have always had a huge soft spot for Reno. My favorite cousins were lucky enough to grow up here I always felt most excited when we took family trips to visit them. No matter what time of year we visited there was a plethora of things to do. Over 4 years ago I finally had the opportunity to finally call Reno Home. I would be honored to be apart of this board to strategically plan a steady growth plan for this beautiful city.

Relevant Education or Training

While I have no formal training or education in redevelopment or city planning, throughout my career as a pilot, I have traveled the world and lived and visited cities that did it right and just missed something in the development. I believe I can offer a perspective that would be an asset to the Board that a Degree may not have. An insight to what a new resident or a tourist might feel. I appreciate your consideration to be a part of this integral part of making Reno even more so,The Biggest Little City!
