Hi, I use the north 395 to get out of Reno every day. You should all probably just ~~blow up~~ yourself. You have failed. Miserably it takes about an hour to get the 5 miles into North Valley every afternoon when the traffic starts going north. I'm surprised there's not more mass shooting in traffic. I Buzz more people aren't ~~blow up~~ themselves just from having to be in Reno traffic. You guys have failed miserably and should just go to work at McDonald's cuz you have no skills.
