During my time at Reno High school, I have taken courses that have furthered my knowledge of the political process such as Speech and Debate, AP United States History and AP United States Government and Politics.

Explain briefly why you would like to be appointed to this board or commission.

I am a seventeen year old high school student investigating the various options I hope to use for careers as an adult. In the past five years, I have developed a keen interest for the political process and the history of ways in which ordinary citizens prove themselves capable of making a difference in their communities. Additionally, as a Sierra Kids employee who has been working there for nearly two years, I have personally experienced the ways in which small seemingly insignificant actions can make a huge difference in the lives of others, and I sincerely hope to continue my involvement through the Youth City Council.
