A new comment has been submitted for the Reno City Council Meeting held on: 2024-08-28.

Section:

D Items - Department Items

Item:

D.4 or D.5 (Pembroke).

Position:

In Favor

Are they speaking in person?

No, I am submitting a written comment only.

If no, enter comments below:

Please provide our city the opportunity to have more flat fields for youth sports. We are in desperate need to have more space and organizations are doing everything we can to find ways to maximize the use of current fields. I have been a board member with Reno American Little League for 10 years and we put so much money and time into our fields to keep them looking good and playable. We share our field space with youth football teams in Fall, since they don't even have a flat field to play on, and they use our outfields. We are also a youth football family, so see both sides of this and are appreciative to even have a field to practice on. As Reno grows, we have a strong need to support our youth and families with a safe location to play but are limited in Fall to form teams and turn families away because of viable space. There is a strong youth sports community that need these fields and we can't keep pushing off this decision to move forward with viable plans. I believe Pembroke is that plan and will help all of youth sport organizations.

There are far to many youth and adult sports for the limited number of fields in Reno.
