

## STAFF REPORT

---

**Date:** March 26, 2025

**To:** Mayor and City Council

**Through:** Jackie Bryant, City Manager

**Subject:** Staff Report (For Possible Action): Award of Contract to Sierra Nevada Construction, Inc. for the 2025 California Avenue and River Run Parkway Street Rehabilitation Project in the amount of \$3,975,007. (Street Fund, Sewer Fund) [Ward 2]

**From:** Jonathan Smith, Senior Civil Engineer

**Department:** Public Works

---

**Summary:**

This item is a contract for the 2025 California Avenue and River Run Parkway Street Rehabilitation Project. Five bids were received and opened on February 13, 2025. Sierra Nevada Construction, Inc. submitted the best bid pursuant to the requirements established in Nevada Revised Statute (NRS) Chapter 338. This project's scope of work primarily consists of removing and replacing pavement, curb and gutter, sidewalks, driveways, pedestrian ramps, storm drain inlets and pipe, pavement striping, provisions for traffic control, and other miscellaneous work associated with the reconstruction project.

This project is included in the City's Capital Improvement Plan (CIP) budget for fiscal year (FY) 25. The work for the California Avenue and River Run Parkway Street Rehabilitation Project is scheduled to begin this spring and be completed by fall 2025. Staff recommends awarding the bid to Sierra Nevada Construction, Inc. in an amount not to exceed \$3,975,007.

Consent Review	Yes	No
1. Is this item an annual or standard item that comes before Council for regular approval?		X
2. Is this item an agreement required based on an item previously approved by Council?	X	
3. Is this item included in the current budget approved and adopted by Council?	X	
<b>Other Considerations</b>		
What percent of the total City budget does this item represent?	0.45%	

**Alignment with Strategic Plan:**

Infrastructure, Climate Change, and Environmental Sustainability

**Previous Council Action:**

December 11, 2024 – Council approved the Consultant Agreement with DOWL for engineering support and construction services for the 2025 Street Rehabilitation Projects - East University Phase I Project and California Ave & River Run Parkway Project in an amount not to exceed \$400,000 (Sewer & Street Fund).

March 23, 2022 – Council confirmed the streets proposed for the 2025 Neighborhood Street Rehabilitation Program.

**Background:**

The Neighborhood Street Program, adopted by Council in 1997, is a program for street rehabilitation and preventative maintenance of the City's neighborhood streets. The City currently has an inventory of approximately 543 centerline miles of neighborhood streets to maintain, with the streets separated into three areas: Northwest-Stead-Verdi, Northeast-Southeast, and Southwest.

Council confirmed the 2025 Street Rehabilitation Projects for reconstruction in March 2022, which allows time for coordination with property owners and private utility companies, as well as preparing design and bid documents. Staff held a neighborhood meeting on January 7, 2025, and presented the project to the Reno Access Advisory Committee on January 23, 2025.

Every three years, a visual survey is performed on all neighborhood streets, and data is collected about the type, severity, and quantity of pavement distresses. This information is put into a computer program that calculates a pavement condition index (PCI). The index ranges from 100 for pavements in excellent condition to zero for failing pavement. All the streets with a PCI below 55 are evaluated. Then, a number of streets in close proximity with the same general condition are grouped together and a construction cost for street rehabilitation and sewer main rehabilitation (if needed) is determined. Finally, coordination with all the utilities (gas, water, sewer, cable/fiber) occurs to determine the optimum schedule for the rehabilitation of streets in the neighborhood. The streets' grouping to be rehabilitated results in cost-saving measures, including better bid prices and fewer disruptions to the residents. A final recommendation is then made to Council based on the funding available.

**Discussion:**

The 2025 California Avenue and River Run Parkway Street Rehabilitation Project consists of California Avenue from Idlewild Drive to Hunter Lake Drive and River Run Parkway from Mayberry Drive to Riverberry Drive as shown on the Vicinity map below.

The Neighborhood Street Program guides the replacement (rehabilitation) of streets for the City's neighborhood streets. Staff identified the candidates for street rehabilitation and brought them to Council for confirmation several years prior to the actual rehabilitation to allow property owners and other utilities time for replacements or new installations of new mains or service laterals. Council confirmed the 2025 Neighborhood Street Rehabilitation Program, including the California Avenue and River Run Parkway Project, in March of 2022.

This project includes removing and replacing pavement, curb and gutter, sidewalks, driveways, pedestrian ramps, storm drain inlets and pipe, pavement striping, provisions for traffic control, and other miscellaneous work associated with the reconstruction project.

## Vicinity Map – California Ave & River Run Parkway

Staff received and opened five bids for the 2025 California Avenue and River Run Parkway Street Rehabilitation Project on February 13, 2025. Sierra Nevada Construction, Inc. submitted the best bid pursuant to the requirements established in NRS Chapter 338.

Sierra Nevada Construction, Inc. is a local General Contractor licensed in Nevada, and they have completed previous work for the City within the past five years.

**Table 1 – Bid Summary**

<b>Bidder</b>	<b>Total Bid Price</b>
Engineer’s Estimate	\$4,042,582.98
Sierra Nevada Construction, Inc.	\$ 3,625,007.00
Granite Construction Company	\$ 3,733,733.00
Spanish Springs Construction, Inc.	\$ 3,989,989.00
A&K Earth Movers	\$ 4,157,000.00
Q&D Construction, LLC	\$ 4,225,000.00

Staff recommends award to Sierra Nevada Construction, Inc. for the 2025 California Avenue and River Run Parkway Street Rehabilitation Project for \$3,975,007 which includes a \$350,000 contingency for unforeseen items encountered during construction.

**Table 2 – Recommended Bid Award**

2025 California Avenue and River Run Parkway Street Rehabilitation Project (Base Bid)	\$3,625,007
Contingency	\$350,000
<b>Bid Award</b>	<b>\$3,975,007</b>

The consequences of not awarding this bid today will result in further deterioration of streets, citizen complaints, and limited pedestrian and Americans with Disabilities Act (ADA) accessibility.

### **Financial Implications:**

Funding for this project is available in the Street and Sewer Funds as identified in the City of Reno FY25 CIP. Table 2 below shows the cost allocations for each fund.

**Table 2 – Cost Allocation of Street Fund and Sewer Funds**

	<b>Recommended Award Amount</b>	<b>Street Fund</b>	<b>Sewer Fund</b>

Sierra Nevada Construction, Inc.	<b>\$3,975,007</b>	\$3,577,506.30	\$ 397,500.70
Percentages		90%	10%

**Legal Implications:**

This Contract was competitively bid in accordance with Chapter 338 of NRS. NRS 338.147 provides that a local government shall award a contract for a public work for which the estimated cost exceeds \$250,000 to the contractor who submits the best bid pursuant to the requirements of the chapter. Sierra Nevada Construction, Inc. maintains the proper license to perform the project and submitted the best bid pursuant to state law.

**Recommendation:**

Staff recommends Council award the contract to Sierra Nevada Construction, Inc. for the 2025 California Avenue and River Run Parkway Street Rehabilitation Project in the amount of \$3,975,007 and authorize the Mayor to sign the contract.

**Proposed Motion:**

I move to award the contract to Sierra Nevada Construction, Inc. for the 2025 California Avenue and River Run Parkway Street Rehabilitation Project in the amount of \$3,975,007 and authorize the Mayor to sign the contract.
