Resolution & Docket 24-02026

- NRS 704.110 and amended by AB 524; NVE file at least every 36 months
- Increase Basic Service Charge, decrease volumetric charge
- NVE position – reduces or maintains the average bill
- Opponents position – harms solar and low-income persons, disincentive to conserve
- Proposes BSC from ~\$16 to ~\$45
- Volumetric charge = part fuel cost, part NVE can control. Reducing the latter
- PUCN timeline, 08/12-08/16, subsequent order Sept., 2024. Rates go into effect Oct., 2024
