Explain briefly why you would like to be appointed to this board or commission.

I feel that I should be on the board of the Student City Council, because I feel that I have the leadership to be able to lead by example and with being a leader comes the benefits that people talk to me a lot and they tell me their needs. I feel that with the Student City Council I can help communicate the needs and the opinions that the kids around Reno are feeling and what they feel is needed or unneeded or that needs change. I also want Reno to thrive up in education and schools, I want to see improvements and even brighter ideas and I want to shoot for the stars. I want to do the most that is possible for the Reno students. I want them to have great times in high school, middle school, elementary school, and with that there needs to be someone that can lead a group of well educated and smart people that are qualified for the job. I feel that I am the person who can band up a group and get to work. I am that person that can lead them. Thank you.
