**Position:**

In opposition

**Are they speaking in person?**

No, I am submitting a written comment only.

**If no, enter comments below:**

Why are you blowing 100k on a mural for California Avenue when the city is in debt and cutting back on public safety services. And don't say "it's from another budget" or some bs like that. Move the money where it is needed. Just like that stupid Burning Man art downtown that you blow all that money on. If I'm broke I don't go out and buy a new car. Irresponsible.
