**Alignment with Strategic Plan:**

Public Safety

**Previous Council Action:**

Council has approved prior awards from the U.S. Department of Transportation to the Reno Police Department. Most recently, it accepted a FY 21 award October 13, 2021 – Item B.7.

**Discussion:**

The Motor Carrier Safety Assistance Program (MCSAP) High Priority grant program supports efforts to address unsafe driving around and by commercial motor vehicles (CMV) to improve overall safety of CMVs. This project will support aggressive driving operations to target unsafe driving by or affecting CMVs and commercial vehicle inspection operations. In addition, the grant provides training funds to increase the capacity of RPD to conduct CMV inspections.

**Financial Implications:**

This cycle of grant award funding does not require a match.

**Legal Implications:**

The City, by accepting this grant, agrees to comply with the terms of the grant application, provide information for evaluation to the granting organization, and provide progress and financial reports on program activities, which will be completed by Police Department personnel. Failure to adhere to the grant requirements could affect future funding. Legal review completed for compliance with City procedures and Nevada Law.

**Recommendation:**

Staff recommends Council acceptance of the Fiscal Year 2023 Grant Award (FM-MHP-0772-23-01-00) from the U.S. Department of Transportation, Federal Motor Carrier Safety Administration to the Reno Police Department to support enforcement of laws related to commercial vehicles in the amount of \$380,176, and authorize the Chief of Police, City Manager and/or Mayor to sign the necessary documents.

**Proposed Motion:**

I move to approve staff recommendation.
