# Population Estimate Overview

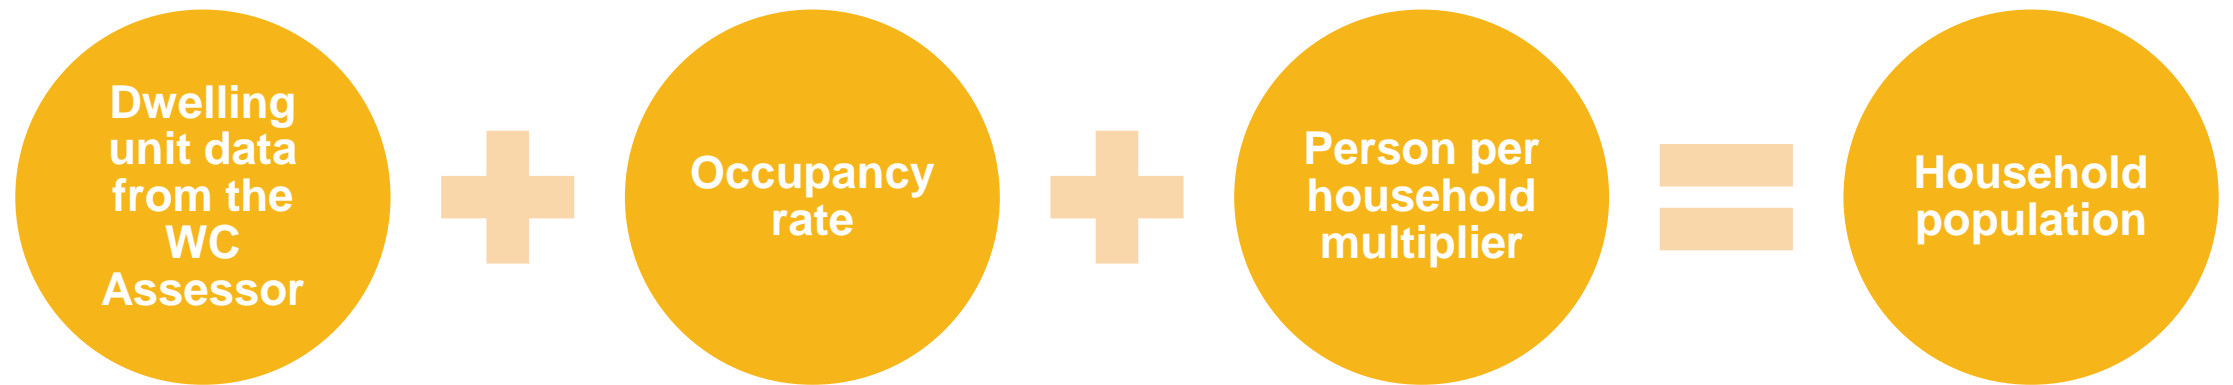

Population estimates for each jurisdiction are developed

Estimates are vetted with each jurisdiction and sent to the State Demographer

Demographer develop the Governor's Certified Estimates

Estimates are used for apportioning tax proceeds

# Population Estimate Overview

# Interlocal Agreement

- Washoe County previously performed the estimate for each jurisdiction in the County
- TMRPA was requested to take over the task
  - Within TMRPA's scope
- Interlocal Agreement would formalize this responsibility and methodology

# Recommended Motion

I move to approve of the Interlocal Agreement between Washoe County, the City of Reno, the City of Sparks, and the Truckee Meadows Regional Planning Agency to calculate the annual population estimate for Washoe County and deliver to the Nevada State Demographer.
