A new comment has been submitted for the Reno City Council Meeting held on: 2024-04-10.

Section:

C Items - Public Hearing Items

Item:

C.2, C.3, LDC23-00020.

Position:

In Favor

Are they speaking in person?

No, I am submitting a written comment only.

If no, enter comments below:

I work in cold springs Monday-Friday, it would be nice to have more option out in the "sticks". I also live out in the cold springs valley for couple years and it would have made my life a lot easier if there was a grocery store, bank, or other amenities out in cold springs.

ACKNOWLEDGEMENTS:

By checking the "Yes" below, you agree that all the information above is true and accurate. For additional information, please refer to the agenda for today's meeting.

C.2&C.3.

Position:

In Favor

Are they speaking in person?

No, I am submitting a written comment only.

If no, enter comments below:

I would like to see stores out here whether it is grocery, auto parts, clothing. It is especially important for seniors that don't want to drive far and we don't have bus service.

ACKNOWLEDGEMENTS:

Position:

In Favor

Are they speaking in person?

No, I am submitting a written comment only.

If no, enter comments below:

I am in favor of the proposed Industrial Development for the following reasons: 1) Increased opportunity for local employment 2) Consistent with other recent industrial project trends in the North Valleys, especially along the Hwy 395 corridor and parallel frontage roads 3) The potential for local-area "residents" to take advantage of offerings within the site for Supplemental Storage (for homeowners or other businesses, smaller workspaces, small business start-up spaces, small-scale manufacturing opportunities, etc) 4) The outline and design considerations of the project have been well thought out and are all geared toward keeping a visually appealing road view and improving the opportunities in the local area. - The planned White Lake access nature trail is a great addition. - The opportunity for expanded related hospitality businesses to support the complex (primarily food) will be a welcome addition to the community as well as any potential more "local" resources/businesses (groceries, car repair, etc)

ACKNOWLEDGEMENTS:

By checking the "Yes" below, you agree that all the information above is true and accurate. For additional information, please refer to the agenda for today's meeting.

As I live and work in cold springs it is hard to find time to go into town. Having commercial businesses out here would be a huge time saver and a traffic reducer for everyone who could work in the cold springs area instead of commuting to a job in town.

ACKNOWLEDGEMENTS:

By checking the "Yes" below, you agree that all the information above is true and accurate. For additional information, please refer to the agenda for today's meeting.

If no, enter comments below:

My family has lived in Woodland Village, in Cold Springs, for 20 years. We love the rural feel of our community. The one thing we feel Cold Springs is lacking is more local service and retail businesses to serve the estimated 10,000 residents of our valley. We value the many ways Lifestyle Homes has served our community and trust them to vet quality businesses for this development project. Please approve this zoning change. Thank you.

A new comment has been submitted for the Reno City Council Meeting held on: 2024-04-10.

Section:

C Items - Public Hearing Items

Item:

c.2 and c.3 (LDC2300020).

Position:

In Favor

Are they speaking in person?

No, I am submitting a written comment only.

If no, enter comments below:

I am writing in support for agenda item C.2 and C.3 LDC2300020 the White Lake Parkway Master Plan and Zoning Map Amendments. I am a resident of Cold Springs, a mother of three adult children, and an active community volunteer and advocate. I volunteer fulltime and interact with hundreds of community members each week. I hear first hand from countless people the need for change in the zoning within Cold Springs. Cold Springs is currently lacking essential resources, such as access to fresh food, everyday services, and employment opportunities, resulting in what can only be described as a food and job desert. Our senior citizens and disabled community members are increasingly marginalized due to no access to public transportation and nearby grocery stores. Many of them have no choice but to leave the area because they can no longer live here without access to food. The cost to have groceries delivered is not financially possible for many of our community members on fixed incomes. There have been countless times that I have personally driven into town to pick up groceries for community members. Additionally, our neighborhood teenagers have long commutes of 30 minutes or more for schooling and entry-level employment opportunities. When my own children

were in high school and working starter jobs, a majority of their paychecks would go to buy gas to be able to drive to work and school, leaving very little for them to spend or save. This zoning change is vital for improving the quality of life in Cold Springs. Our population has expanded to a point where essential services are no longer a luxury but now a necessity. While I understand the concerns of some community members regarding changes within Cold Springs, it is important to recognize that development is inevitable, especially in suburbs like Cold Springs. Change is hard but as community members, I feel that advocating for change that benefits us as a community is important. I openly speak out against projects that I feel do not help our community. What we require is thoughtful development, guided by individuals that personally understand the needs of our community. It is important to acknowledge the value of having a developer that resides in Cold Springs, actively engages with the community, and has taken the time to hear our concerns. This is the first zoning change and development plan that I have seen that gives me hope that we will see the much needed services out here. Thank you for considering my perspective on this matter. Sincerely, Rebecca Marko

ACKNOWLEDGEMENTS:

No, I am submitting a written comment only.

If no, enter comments below:

I have been a resident of Cold Springs since 2007 While I enjoy living in Cold Springs, I find it is lacking in a couple of areas. The first being jobs. The majority of Cold Springs residents have to leave Cold Springs for employment. The second is basic retail and services. This project will provide jobs as well as the basic retail services we all need. I fully support the rezoning and subsequent project, as I feel it will contribute greatly to Cold Springs Thank you
