hi, my name is John Hera, and my family has been the brunt of Uh, other people hitting their cars and leaving the seats. Uh, this has happened 4 times now. And I think something needs to be done about the penalty for this. Right now, if a ticket. Uh, it should be a night in jail at least. These people need to start paying attention and stopping when they're supposed to. Thank you.

My name is Marianne. I live in the dead Community. I've lived here for 35 years, I'm currently going through my Medicare Plan. And I re realized that in out here in the North Valley area, we desperately need another Lab Services. The only 1 that we have right now is renowned and I really am trying to get away from renowned as fast as I can. So I'm calling to see if there's some way that you can encourage someone um of the the major companies to put a lab services out here on fed Boulevard is some medical groups. Uh, in Lemmon Valley uh, by Walmart is medical groups and also in Golden Valley is also medical groups, but that's where renowned flat group is. So possibly true to the other areas would be great. That would be so beneficial for us to live out here who are stuck on Medicare and have a hard time getting into town. It would be greatly appreciated. Thank you so much for your time.
