Section 203. Necessity of Project and Bonds. It is necessary and for the best interests of the City and the inhabitants thereof that the City effect the Project and defray the cost thereof by issuing the Bonds therefor; and it is hereby so determined and declared.

Section 204. Authorization of Use of Preliminary and Final Official Statements. The distribution and use of a Preliminary Official Statement for the Bonds is hereby authorized; the distribution, use of and execution of the Final Official Statement for the Bonds in substantially the form of the Preliminary Official Statement, with such amendments, additions and deletions as are consistent with the facts and not inconsistent herewith as may be approved by the Director of Finance, is hereby authorized. The Director of Finance is authorized to deem the Preliminary Official Statement to be "final" for the purposes of Rule 15c2-12 of the United States Securities Exchange Commission.

Section 205. Authorization of Project. The City does hereby determine to proceed with the Project as hereinabove delineated; and the Project is hereby so authorized.

Section 206. Bonds Equally Secured. The covenants and agreements herein set forth to be performed on behalf of the City shall be for the equal benefit, protection and security of the owners of any and all of the Outstanding Bonds, all of which, regardless of the time or times of their issue or maturity, shall be of equal rank without preference, priority or distinction of any of

the Bonds over any other thereof, except as otherwise expressly provided in or pursuant to this Ordinance.

Section 207. General Obligations. The full faith and credit of the City are hereby pledged to the payment of the Bond Requirements of the Bonds; they shall constitute general obligations of the City and shall be payable from General Taxes on all taxable property within the City (except to the extent any Pledged Revenues or other moneys are available therefor), subject to the limitations imposed by the Constitution and statutes of the State.

Section 208. Additional Security. The payment of the Bond Requirements of the Bonds is additionally secured by an irrevocable pledge of and by a lien (but not necessarily an exclusive lien) on the Pledged Revenues, subject to and after any superior liens on such Pledged Revenues of any Superior Securities, on a parity with any liens on the Pledged Revenues of any Parity Securities and superior to any liens on the Pledged Revenues of any Subordinate Securities.

Section 209. No Pledge of Property. The payment of the Bonds is not secured by an encumbrance, mortgage or other pledge of property of the City, except the proceeds of General Taxes, the Pledged Revenues, and any other moneys pledged for the payment of the Bonds. No property of the City, subject to such exceptions, shall be liable to be forfeited or taken in payment of the Bonds.

Section 210. No Recourse Against Officers and Agents. No recourse shall be had for the payment of the Bond Requirements of the Bonds or for any claim based thereon or otherwise upon this Ordinance authorizing their issuance or any other instrument relating thereto, against any individual member of the City or any officer or other agent of the City, past, present or future, either directly or indirectly through the City or otherwise, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any penalty or otherwise, all such liability, if any, being by the acceptance of the Bonds and as a part of the consideration of their issuance specially waived and released.

Section 211. Sale of Bonds. The Director of Finance, or in such officer's absence, the City Manager, is authorized to execute the Certificate of the Director of Finance and accept the Bond Purchase Proposal submitted by the Purchaser for the purchase of the Bonds as set forth in the preambles hereof.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION AND ISSUANCE OF BONDS

Section 301. Authorization of Bonds. The "City of Reno, Nevada, General Obligation (Limited Tax) Capital Improvement Refunding Bonds (Additionally Secured by Pledged Revenues), Series 2024," in the aggregate principal amount necessary to effect the Project, are hereby authorized to be issued, pursuant to the Project Act and the Bond Act; and the City pledges irrevocably, but not necessarily exclusively, the Pledged Revenues to the payment of the Bond Requirements of the Bonds, the proceeds of the Bonds to be used solely to defray wholly or in part the cost of the Project.

Section 302. Bond Details. The Bonds shall be issued payable in fully registered form, i.e., registered as to both principal and interest and shall be dated as of the first of the month of the date of delivery of the Bonds. Except as provided in Section 307 hereof, the Bonds shall be issued in the denominations of \$5,000 and any integral multiples thereof. The Bonds shall bear interest at the rates set forth in the Certificate of the Director of Finance (not exceeding 3% above the rates of the Index of Twenty Bonds most recently published before bids for the Bonds were received), calculated on the basis of a 360-day year of twelve 30-day months, mature in the principal amounts and on the dates set forth in the Certificate of the Director of Finance. The Director of Finance, or in such officer's absence, the City Manager, is hereby delegated the authority to specify the foregoing terms in the Certificate of the Director of Finance in accordance with NRS 350.165. Interest shall accrue from the date of the Bonds until their respective fixed maturity dates, and is payable on June 1 and December 1 of each year, commencing on the first June 1 or December 1 which is at least six months after the date of delivery of the Bonds, except that Bonds which are reissued upon transfer, exchange or other replacement shall bear interest from the most recent interest payment date to which interest has been paid or provided for, or, if no interest has been paid, from the date of the Bonds. The principal of and redemption premium, if any, on any Bond, shall be payable to the registered owner thereof as shown on the registration records kept by the Registrar, upon maturity or prior redemption thereof and upon presentation and surrender at the Paying Agent or at such other office as designated by the Paying Agent. If any Bond shall not be paid upon such presentation and surrender at or after maturity, it shall continue to draw interest at the interest rate borne by the Bond until the principal thereof is paid in full. Except as provided in Section 307 hereof, payment of interest on any Bond shall be made to the registered owner thereof

electronically or by check or draft mailed by the Paying Agent, on or before each interest payment date (or, if such interest payment date is not a business day, on or before the next succeeding business day), to the registered owner thereof at such owner's address as shown on the registration records kept by the Registrar at the close of business on the Regular Record Date for such interest payment date; but any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the registered owner thereof at the close of business on the Regular Record Date and shall be payable to the person who is the registered owner thereof at the close of business on a Special Record Date for the payment of any such defaulted interest. Such Special Record Date shall be fixed by the Paying Agent whenever money becomes available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the registered owners of the Bonds not less than 10 days prior thereto electronically or by first-class mail to each such registered owner as shown on the Registrar's registration records on a date selected by the Registrar, stating the date of the Special Record Date and the date fixed for the payment of such defaulted interest. The Paying Agent may make payments of interest on any Bond by such alternative means as may be mutually agreed upon between the owner of such Bond and the Paying Agent. All such payments shall be made in lawful money of the United States of America.

Section 303. Prior Redemption.

A. Optional Redemption. Bonds maturing on and after the date designated in the Certificate of the Director of Finance shall be subject to redemption prior to their respective maturities, at the option of the City, on and after the date specified in the Certificate of the Director of Finance, in whole or in part at any time after such date, from such maturities as are selected by the Director of Finance on behalf of the City, and if less than all of the Bonds of a maturity are to be redeemed, the Bonds of such maturity are to be redeemed by lot within a maturity (giving proportionate weight to Bonds in denominations larger than \$5,000), in such manner as the Paying Agent may determine, for the principal amount of each Bond or portion thereof so redeemed and accrued interest thereon to the redemption date, and a premium, if any, specified in the Certificate of the Director of Finance.

B. Mandatory Redemption. The Bonds maturing on the dates, if any, set forth in the Certificate of the Director of Finance (the "Term Bonds") are subject to mandatory sinking fund redemption at a redemption price equal to 100% of the principal amount thereof and accrued interest to the redemption date. As and for a sinking fund for the redemption of the Term Bonds,

there shall be deposited into the Bond Fund on or before the dates set forth in the Certificate of the Director of Finance, a sum which, together with other moneys available in the Bond Fund, is sufficient to redeem (after credit is provided below) on the dates and the principal amounts of the Term Bonds as set forth in the Certificate of the Director of Finance, plus accrued interest to the redemption date.

Not more than sixty days nor less than thirty days prior to the sinking fund payment dates for the Term Bonds, the Registrar shall proceed to select for redemption (by lot in such manner as the Registrar may determine) from all Outstanding Term Bonds, a principal amount of the Term Bonds equal to the aggregate principal amount of the Term Bonds redeemable with the required sinking fund payments, and shall call such Term Bonds or portions thereof for redemption from the sinking fund on the next principal payment date, and give notice of such call as provided in this Ordinance.

At the option of the City to be exercised by delivery of a written certificate to the Registrar not less than sixty days next preceding any sinking fund redemption date, it may (i) deliver to the Registrar for cancellation Term Bonds, or portions thereof (\$5,000 or any integral multiple thereof) in an aggregate principal amount desired by the City or, (ii) specify a principal amount of Term Bonds, or portion thereof (\$5,000 or any integral multiple thereof) which prior to said date have been redeemed (otherwise than through the operation of the sinking fund) and canceled by the Registrar and not theretofore applied as a credit against any sinking fund redemption obligation. Each Term Bond or portions thereof so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the City on the sinking fund redemption dates and any excess shall be so credited against future sinking fund redemption obligations in such manner as the City determines. In the event the City shall avail itself of the provisions of clause (i) of the first sentence of this paragraph, the certificate required by the first sentence of this paragraph shall be accompanied by the respective Term Bonds or portions thereof to be canceled of in the event the Bonds are registered in the name of Cede & Co. as provided in this Ordinance, the certificate required by the first sentence of this paragraph shall be accompanied by such direction and evidence of ownership as is satisfactory to The Depository Trust Company.

C. Partial Redemption. If any Bond is in a denomination larger than \$5,000, a portion of such Bond (\$5,000 of principal amount thereof, or any integral thereof) may be

redeemed pursuant to subsection A or B hereof, as appropriate, in which case the Registrar, except as provided in Section 307 hereof, shall, without charge to the owner of such Bond, authenticate and issue a replacement Bond or Bonds for the unredeemed portion thereof. In the case of a partial redemption of Bonds of a single maturity pursuant to subsection A or B hereof, the Paying Agent shall select the Bonds to be redeemed by lot at such time as directed by the City (but at least 30 days prior to the redemption date), and if such selection is more than 60 days before a redemption date, shall direct the Registrar to appropriately identify the Bonds so called for redemption by stamping them at the time any Bond so selected for redemption is presented to the Registrar for stamping or for transfer or exchange, or by such other method of identification as is deemed adequate by the Registrar and any Bond or Bonds issued in exchange for, or to replace, any Bond so called for prior redemption shall likewise be stamped or otherwise identified.

Section 304. Redemption Notice. Unless waived by any registered owner of a Bond to be redeemed, notice of prior redemption shall be given by the Registrar, electronically as long as the nominee of The Depository Trust Company or a successor depository is the registered owner of the Bonds, and otherwise electronically or otherwise, at least 20 days but not more than 60 days prior to the Redemption Date to the Municipal Securities Rulemaking Board via its Electronic Municipal Market Access System ("MSRB") and to the registered owner of any Bond (initially Cede & Co.) all or a part of which is called for prior redemption at such owner's address as it last appears on the registration records kept by the Registrar. The notice shall identify the Bonds and state that on such date the principal amount thereof, and premium, if any, thereon will become due and payable at the Paying Agent (accrued interest to the Redemption Date being payable electronically or by mail or as otherwise provided in this Ordinance), and that after such Redemption Date interest will cease to accrue. After such notice and presentation of said Bonds, the Bonds called for redemption will be paid. Actual receipt of notice by the MSRB or any registered owner of Bonds shall not be a condition precedent to redemption of such Bonds. Failure to give such notice to the registered owner of any Bond designated for redemption, or any defect therein, shall not affect the validity of the proceedings for the redemption of any other Bond. A certificate by the Registrar that notice of call and redemption has been given as provided in this Section shall be conclusive as against all parties; and no owner whose Bond is called for redemption or any other owner of any Bond may object thereto or may object to the cessation of

interest on the Redemption Date on the ground that he failed actually to receive such notice of redemption.

Notwithstanding the provisions of this Section, any notice of redemption may contain a statement that the redemption is conditional upon the receipt by the Paying Agent of funds on or before the date fixed for redemption sufficient to pay the redemption price of the Bonds so called for redemption, and that if such funds are not available, such redemption shall be canceled by written notice to the owners of the Bonds called for redemption in the same manner as the original redemption notice was sent.

Section 305. Negotiability. Subject to Section 307 hereof and to the registration provisions herein provided, the Bonds shall be fully negotiable within the meaning of and for the purposes of the Uniform Commercial Code--Investment Securities, and each owner shall possess all rights enjoyed by owners of negotiable instruments under the Uniform Commercial Code--Investment Securities.

Section 306. Registration, Transfer and Exchange of Bonds. Except as otherwise provided in Section 307 hereof:

A. Registration and Transfer. Records for the registration and transfer of the Bonds shall be kept by the Registrar. Upon the surrender for transfer of any Bond at the Registrar, duly endorsed for transfer or accompanied by an assignment in form satisfactory to the Registrar duly executed by the registered owner or such owner's attorney duly authorized in writing, the Registrar shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount and of the same maturity bearing a number or numbers not previously assigned. Bonds may be exchanged at the Registrar for an equal aggregate principal amount of Bonds of the same maturity of other authorized denominations, as provided in Section 302 hereof. The Registrar shall authenticate and deliver a Bond or Bonds which the registered owner making the exchange is entitled to receive, bearing a number or numbers not previously assigned. For every exchange or transfer of Bonds requested by the owner thereof, the City or the Registrar may make a sufficient charge to reimburse it for any tax, fee, or other governmental charge required to be paid with respect to such exchange or transfer, and may charge a sum sufficient to pay the cost of preparing and authenticating each new Bond. No such charge shall be levied in the case of an exchange resulting from an optional or mandatory prior redemption of a Bond.

B. Limitations upon Registration. The Registrar shall not be required to transfer or exchange (i) any Bond subject to redemption during a period beginning at the opening of business 15 days before the day a notice of prior redemption of Bonds is sent by the Registrar and ending at the close of business on the day such notice is sent, or (ii) any Bond after the notice is sent calling such Bond or any portion thereof for redemption as herein provided.

C. Effect of Registration. The person in whose name any Bond shall be registered, in the registration records kept by the Registrar, shall be deemed and regarded as the absolute owner thereof for the purpose of making payments thereof (except to the extent otherwise provided in Section 302 hereof with respect to interest payments) and for all other purposes; and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the registered owner thereof or such owner's legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitations provided herein. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

D. Replacement of Bond. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar shall, upon receipt of such evidence, information or indemnity relating thereto as it, the Registrar or the City, may reasonably require, and upon payment of all expenses in connection therewith, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount and of the same maturity, bearing a number or numbers not previously assigned. If such lost, stolen, destroyed or mutilated Bond shall have matured or shall have been called for redemption, the Registrar may direct that such Bond be paid by the Paying Agent in lieu of replacement.

E. Cancellation of Bond upon Payment or Reissuance. Whenever any Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Registrar for transfer, exchange or replacement as provided herein, such Bond shall be promptly canceled by the Paying Agent or Registrar, and counterparts of a certificate of such cancellation shall be furnished by the Paying Agent or Registrar to the Director of Finance.

Section 307. Custodial Deposit.

A. Notwithstanding the foregoing provisions of Sections 302 to 306 hereof, the Bonds shall initially be evidenced by one Bond for each year in which the Bonds mature in denominations equal to the aggregate principal amount of the Bonds maturing in that year. Such

initially delivered Bonds shall be registered in the name of "Cede & Co." as nominee for The Depository Trust Company, the securities depository for the Bonds. The Bonds may not thereafter be transferred or exchanged except:

(1) to any successor of The Depository Trust Company or its nominee, which successor must be both a "clearing corporation" as defined in NRS 104.8102, and a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended; or

(2) upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or this clause (2) of this subsection A, or a determination by the City that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the designation by the City of another depository institution acceptable to the City and to the depository then holding the Bonds, which new depository institution must be both a "clearing corporation" as defined in NRS 104.8102 and a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended, to carry out the functions of The Depository Trust Company or such successor or new depository; or

(3) upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or clause (2) of this subsection A, or a determination of the City that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the failure by the City, after reasonable investigation, to locate another qualified depository institution under clause (2) to carry out such depository functions.

B. In the case of a transfer to a successor of The Depository Trust Company or its nominee as referred to in clause (1) of subsection A hereof or designation of a new depository pursuant to clause (2) of subsection A hereof, upon receipt of the Outstanding Bonds by the Registrar, together with written instructions for transfer satisfactory to the Registrar, a new Bond for each maturity of the Bonds then Outstanding shall be issued to such successor or new depository, as the case may be, or its nominee, as is specified in such written transfer instructions. In the case of a resignation or determination under clause (3) of subsection A hereof and the failure after reasonable investigation to locate another qualified depository institution for the Bonds as provided in clause (3) of subsection A hereof, and upon receipt of the Outstanding Bonds by the Registrar, together with written instructions for transfer satisfactory to the Registrar, new Bonds

shall be issued in the denominations of \$5,000 or any integral multiple thereof, as provided in and subject to the limitations of Section 302 hereof, registered in the names of such Persons, and in such denominations as are requested in such written transfer instructions: however, the Registrar shall not be required to deliver such new Bonds within a period of less than 60 days from the date of receipt of such written transfer instructions.

C. The City, the Registrar and the Paying Agent shall be entitled to treat the registered owner of any Bond as the absolute owner thereof for all purposes hereof and any applicable laws, notwithstanding any notice to the contrary received by any or all of them and the City, the Registrar and the Paying Agent shall have no responsibility for transmitting payments to the beneficial owners of the Bonds held by The Depository Trust Company or any successor or new depository named pursuant to subsection A hereof.

D. The City, the Registrar and the Paying Agent shall endeavor to cooperate with The Depository Trust Company or any successor or new depository named pursuant to clause (1) or (2) of subsection A hereof in effectuating payment of the Bond Requirements of the Bonds by arranging for payment in such a manner that funds representing such payments are available to the depository on the date they are due.

E. Upon any partial redemption of any maturity of the Bonds, Cede & Co. (or its successor), in its discretion may request the City to issue and authenticate a new Bond or shall make an appropriate notation on the Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case the Bond must be presented to the Paying Agent prior to payment.

Section 308. Execution of Bonds. The Bonds shall be executed as follows:

A. Filings with Secretary of State. Pursuant to the Bond Act, and to the act cited as the Uniform Facsimile Signatures of Public Officials Act, cited as chapter 351 of NRS, and prior to the execution of any Bonds by facsimile signature pursuant to NRS 350.638, the Mayor of the City Council of the City, the City Clerk and the City Treasurer shall each file with the Secretary of State of the State of Nevada such official's manual signature certified by him or her under oath.

B. Manner of Execution. Each Bond shall be approved, signed and executed in the name of and on behalf of the City with the manual, electronic or facsimile of the signature of the Mayor shall be countersigned and executed with the manual, electronic or facsimile of the

signatures of the City Treasurer and shall be authenticated with the manual, electronic or facsimile impression of the official seal of the City; and shall be signed, executed, and attested with such a manual, electronic or facsimile signature of the City Clerk.

C. Authentication. No Bond shall be valid or obligatory for any purpose unless the certificate of authentication thereon, substantially in the form hereinafter provided has been duly manually or electronically executed by the Registrar. The Registrar's certificate of authentication shall be deemed to have been duly executed by it if manually or electronically signed by an authorized officer or employee of the Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds issued hereunder. By authenticating any of the Bonds delivered pursuant to the Ordinance, the Registrar shall be deemed to have assented to all of the provisions of this Ordinance.

Section 309. Use of Predecessor's Signature. The Bonds bearing the signatures of the officers in office at the time of the signing thereof shall be the valid and binding obligations of the City, notwithstanding that before the delivery thereof and the payment therefor any or all of the persons whose signatures appear thereon shall have ceased to fill their respective offices. Each the Mayor, the City Treasurer and City Clerk, at the time of the execution of the Bonds and of a signature certificate pertaining thereto by the Mayor, the Treasurer and the City Clerk, respectively, may adopt as and for such official's own facsimile signature the facsimile signature of such official's predecessor in office if such facsimile signature appears upon any of the Bonds.

Section 310. Incontestable Recital in Bonds. Pursuant to NRS 350.628, each Bond shall recite that it is issued pursuant to the Project Act, and to the Bond Act, which recital shall be conclusive evidence of the validity of the Bonds and the regularity of their issuance.

Section 311. State Tax Exemption. Pursuant to NRS 350.710, the Bonds, their transfer, and the income therefrom shall forever be and remain free and exempt from taxation by the State or any subdivision thereof, except for the tax on estates imposed pursuant to chapter 375A of NRS and the tax on generation-skipping transfers imposed pursuant to chapter 375B of NRS.

Section 312. Bond Execution. The Mayor, the City Treasurer, and the City Clerk are hereby authorized and directed to prepare and to execute the Bonds as herein provided.

Section 313. Bond Delivery. After such registration of the Bonds by the Registrar pursuant to Section 306 and after their execution and authentication pursuant to Section 308 and other provisions herein supplemental thereto, the Director of Finance shall cause the Bonds to be

delivered to the Purchaser thereof, upon payment being made therefor on the terms of the sale of the Bonds.

Section 314. Bond Form. Subject to the provisions of this Ordinance, each Bond shall be in substantially the following form with such omissions, insertions, endorsements, and variations as to any recitals of fact or other provisions as may be required by the circumstances, be required or permitted by this Ordinance, or be consistent with this Ordinance and necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto:

The principal of and redemption premium, if any, on this Bond are payable to the Registered Owner hereof upon presentation and surrender hereof at the principal office of the City's paying agent for the Bonds or any successor (the "Paying Agent"), presently Zions Bancorporation, National Association, which is also now acting as the City's registrar for the Bonds (the "Registrar") by the Paying Agent. Interest on this Bond will be paid on each interest payment date (or, if such interest payment date is not a business day, on the next succeeding business day), electronically or by check or draft mailed to the person in whose name this Bond is registered (the "Registered Owner") in the registration records of the City maintained by the Registrar and at the address appearing thereon at the close of business on the fifteenth day of the calendar month next preceding such interest payment date (the "Regular Record Date"). Any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the registered owner hereof at the close of business on a Special Record Date for the payment of any defaulted interest. Such Special Record Date shall be fixed by the Paying Agent for the Bonds whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the Registered Owners of the Bonds of the series of which this is one (the "Bonds") not less than ten days prior thereto. All payments of the principal of, interest on and redemption premiums, if any, due in connection with this Bond (the "Bond Requirements") shall be made in lawful money of the United States of America without deduction for the services of the Paying

Agent, as provided in the City's ordinance adopted and approved on November 13, 2024 authorizing the issuance of the Bonds (the "Ordinance") and Certificate of the Director of Finance (as defined in the Ordinance).

The Bonds are issuable solely as fully registered Bonds in denominations of \$5,000 each or any integral multiple thereof. The Bonds are exchangeable for fully registered Bonds of the same maturity in equal aggregate principal amounts and in authorized denominations at the aforesaid office of the Paying Agent and Registrar but only in the manner, subject to the limitations, and on payment of the charges provided in the Ordinance.

The Registrar will not be required to transfer or exchange (i) any Bond subject to redemption during a period beginning at the opening of business 15 days before the day a notice of prior redemption of Bonds is sent and ending at the close of business on the day such notice is sent, or (ii) any Bond after the notice is sent calling such Bond or any portion thereof for prior redemption.

The Bonds shall not be transferable or exchangeable, except as set forth in the Ordinance.

Bonds maturing on and after the date set forth in the Certificate of the Director of Finance shall be subject to redemption prior to their respective maturities, at the option of the City, on and after the date set forth in the Certificate of the Director of Finance, in whole at any time or in part at any time, from such maturities as are selected by the Director of Finance of City, and if less than all of the Bonds of a maturity are to be redeemed, the Bonds of such maturity are to be redeemed by lot within a maturity (giving proportionate weight to Bonds in denominations larger than \$5,000), in such manner as the Paying Agent may determine, for the principal amount of each Bond or portion thereof so redeemed and accrued interest thereon to the redemption date, without a premium or penalty.

Certain of the Bonds shall be subject to mandatory sinking fund redemption as provided in the Ordinance and the Certificate of the Director of Finance.

In the case of Bonds of a denomination larger than \$5,000, a portion of such Bond (\$5,000 of the principal amount thereof, or any integral multiple thereof) may be redeemed, in which case the Registrar shall, without charge to the owner of such Bond, authenticate and issue a replacement Bond or Bonds for the unredeemed portion thereof. Redemption shall be made upon not less than thirty (30) days' prior notice as provided in the Ordinance.

Upon any partial prior redemption of this Bond, Cede & Co., in its discretion, may request the Registrar to authenticate a new Bond or shall make an appropriate notation on this Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case this Bond must be presented to the Paying Agent prior to payment.

**Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to City or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co., or in such other name as is requested by an authorized representative of DTC (and any payment is made

to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.**

This Bond must be registered in the name of the Registered Owner as to both principal and interest on the registration records kept by the Registrar in conformity with the provisions stated herein and endorsed hereon and subject to the terms and conditions set forth in the Ordinance. No transfer of this Bond shall be valid unless made on the registration records maintained at the principal office of the Registrar by the Registered Owner or such Registered Owner's attorney duly authorized in writing.

The City and the Registrar and Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of making payment (except to the extent otherwise provided hereinabove and in the Ordinance with respect to Regular and Special Record Dates for the payment of interest) and for all other purposes and the City, and Paying Agent and Registrar shall be not affected by notice to the contrary.

The Bonds are issued by the City and upon the credit thereof, for the purpose of defraying wholly or in part, the cost of refunding certain outstanding obligations of the City, as set forth in the Ordinance, under the authority of and in full conformity with the Constitution and laws of the State and the City and pursuant to the Ordinance.

It is hereby certified, recited and warranted that the total indebtedness of the City, including that of this Bond, does not exceed any limit of indebtedness prescribed by the Constitution or laws of the State; that provision has been made for the levy and collection of annual general (ad valorem) taxes ("General Taxes") sufficient to pay the Bond Requirements of this Bond when the same become due (except to the extent other moneys are available therefor), subject to the limitations imposed by the Constitution and statutes of the State; and that the full faith and credit of the City are hereby irrevocably pledged to the punctual payment of the Bond Requirements according to the terms of this Bond.

The payment of the Bonds, as to all Bond Requirements, is additionally secured by an irrevocable pledge of revenues derived by the City from the Pledged Revenues (as defined in the Ordinance).

Payment of the Bond Requirements due in connection with the Bonds may be made from and as security for such payment there is irrevocably and exclusively pledged, pursuant to the Ordinance, a special account thereby created and identified as the "City of Reno, Nevada, General Obligation (Limited Tax) Capital Improvement Refunding Bonds, Series 2024 Bond Fund," into which account the City covenants to pay from the revenues derived from the Pledged Revenues sums sufficient to pay when due the Bond Requirements of the Bonds, except to the extent other moneys are available therefor.

The Bonds are equitably and ratably secured by a lien on the Pledged Revenues, and the Bonds constitute an irrevocable lien (but not necessarily an exclusive lien) upon the Pledged Revenues, subject to and after any superior liens on such Pledged Revenues of any Superior

Securities, on a parity with the liens on the Pledged Revenues of any Parity Securities and superior to the liens on the Pledged Revenues of any Subordinate Securities. Bonds and other securities, in addition to the Bonds, subject to expressed conditions, may be issued and made payable from the Pledged Revenues having a lien thereon subordinate and junior to the lien or, subject to additional expressed conditions, having a lien thereon superior to or on a parity with the lien, of the Bonds, in accordance with the provisions of the Ordinance.

The City covenants and agrees with the owner of this Bond and with each and every person who may become the owner hereof that it will keep and will perform all of the covenants of the Ordinance.

ARTICLE IV

USE OF BOND PROCEEDS

Section 401. Disposition of Bond Proceeds. The proceeds of the Bonds upon the receipt thereof, at any time or from time to time, shall be accounted for in the following manner and priority and are hereby pledged therefor:

A. Escrow Account. First, there shall be deposited into a special account hereby created and designated as the "City of Reno, Nevada, General Obligation (Limited Tax) Capital Improvement Refunding Bonds, Series 2024 Escrow Account" (the "Escrow Account") to be held by the Escrow Agent an amount fully sufficient to establish, together with any other moneys therein (including any monies deposited therein from the debt service fund for the Refunded Bonds), any initial cash balance remaining uninvested and to buy the Federal Securities designated in the Escrow Agreement for credit to the Escrow Account, to be used solely for the purpose of paying the Bond Requirements of the Refunded Bonds as provided in the Escrow Agreement.

B. Costs of Issuance Account. Second, except as herein otherwise expressly provided, the proceeds derived from the sale of the Bonds remaining after the deposit required by subsection A of this Section have been made shall be credited to a separate account hereby created and to be known as the "City of Reno, Nevada, General Obligation (Limited Tax) Capital Improvement Refunding Bonds, Series 2024 Costs of Issuance Account" (the "Costs of Issuance Account"), to be used to pay the costs of issuance of the Bonds pursuant to NRS 350.516

Section 402. Moneys for Project. All moneys received and held by the City for the Project from all sources, except for the Escrow Account, but including, without limitation, the Bond proceeds deposited therein and any surplus Pledged Revenues appropriated by the City for that purpose shall be deposited in the Costs of Issuance Account and except as herein otherwise expressly provided, shall be used and paid out solely for the purpose of defraying the cost of the Project, including, without limitation, the costs of issuing the Bonds.

Section 403. Modifications in Project. The City reserves the right to make alterations, amendments, additions to and deletions from the Project before the withdrawal of all moneys accounted for in the Costs of Issuance Account, hereinabove created in Section 401B hereof.

Section 404. Prevention of Bond Default. The City shall use any Bond proceeds credited to the Costs of Issuance Account without further order or warrant, to pay the Bond Requirements

of the Bonds as the same become due whenever and to the extent moneys in the Bond Fund or otherwise available therefor are insufficient for that purpose, unless the Bond proceeds shall be needed to defray obligations accrued and to accrue under any contracts then existing and relating to the Project. The Director of Finance shall promptly notify the Mayor of any such use. Any moneys so used shall be restored to the Costs of Issuance Account, from the first Pledged Revenues thereafter received and not needed to meet the requirements provided in Sections 603 through 607 hereof.

Section 405. Completion of Project. When any amounts in the Costs of Issuance Account are no longer needed to pay the cost of the Project, the Director of Finance shall cause to be transferred to the Bond Fund all surplus moneys remaining in the Costs of Issuance Account, if any, except for any moneys designated by the Director of Finance to be retained to pay any unpaid accrued costs or contingent obligations and the sums so transferred shall be applied to the payment of the principal and interest due on the Bonds. Nothing herein:

A. Periodic Transfers. Prevents the Director of Finance from causing to be transferred from the Costs of Issuance Account to the Bond Fund any moneys which will not be necessary for the Project; nor

B. Limitations upon Transfers. Requires the transfer to the Bond Fund from the Costs of Issuance Account of any moneys in the Costs of Issuance Account derived from a source other than Bond proceeds.

Section 406. Purchaser Not Responsible. The validity of the Bonds shall not be dependent on nor be affected by the validity or regularity of any proceedings relating to the the completion of the Project. The Purchaser of the Bonds, any associate thereof, and any subsequent owner of any Bonds shall in no manner be responsible for the application or disposal by the City or by any of its officers, agents and employees of the moneys derived from the sale of the Bonds or of any other moneys herein designated.

Section 407. Lien on Bond Proceeds. Until proceeds of the Bonds are applied as hereinabove provided the Bond proceeds shall be subject to a lien thereon and pledge thereof for the benefit of the owners of the Bonds from time to time as provided in Section 601 hereof.

Section 408. Maintenance of Escrow Account.

A. The Escrow Account shall be maintained by the City in an amount at the time of those initial deposits therein and at all times subsequently at least sufficient, together with

the known minimum yield to be derived from the initial investment and any temporary reinvestment of the deposits therein or any part thereof in Federal Securities, to pay the interest due in connection with the Refunded Bonds, both accrued and not accrued, as the same become due up to and including the applicable redemption date for the Refunded Bonds; and to redeem, on such date the Refunded Bonds then outstanding, in accordance with the ordinance of the Board authorizing the issuance of the Refunded Bonds.

B. Moneys shall be withdrawn by the Escrow Agent from the Escrow Account in sufficient amounts and at such times to permit the payment without default of interest due in connection with the Refunded Bonds, and in accordance with the provisions of the Escrow Agreement, shall cause the notice of call for prior redemption of the then outstanding Refunded Bonds to be effected. Any moneys remaining in the Escrow Account after provision shall have been made for the redemption in full of the Refunded Bonds shall be applied to any lawful purpose of the City as the Board may hereafter determine.

C. If for any reason the amount in the Escrow Account shall at any time be insufficient for its purpose, the City shall forthwith from the first moneys available therefore deposit in such account such additional moneys as shall be necessary to permit the payment in full of the principal, interest and any redemption premiums due in connection with the Refunded Bonds as herein provided.

Section 409. Redemption of Refunded Bonds. The City hereby irrevocably elects to call for prior redemption the Refunded Bonds set forth in the Escrow Agreement on the redemption dates as provided in the Escrow Agreement, at the price equal to the principal amount of each Refunded Bond, or portion thereof, so redeemed, and premium, if any, as set forth in the Escrow Agreement and in accordance with this Ordinance and the ordinance authorizing the Refunded Bonds. The registrar for the Refunded Bonds are authorized to give notices of prior redemption and defeasance of the Refunded Bonds (conditional or otherwise) in accordance with the terms of the Escrow Agreement, this Ordinance and the ordinance authorizing the issuance of the Refunded Bonds.

ARTICLE V

GENERAL TAXES

Section 501. General Tax Levies. Pursuant to NRS 350.596, the Bond Requirements of the Bonds falling due at any time when there are not on hand from General Tax levies sufficient funds to pay the same, shall be paid out of the general fund of the City or out of any other funds that may be available for such purpose. For the purpose of repaying any moneys so paid from any such fund or funds (other than any moneys available for the payment of such Bond Requirements on other than a temporary basis) and for the purpose of the payment thereafter of the Bonds and the interest thereon, there are hereby created the separate and special accounts known respectively as the "City of Reno, Nevada, General Obligation (Limited Tax) Capital Improvement Refunding Bonds, Series 2024, General Tax Principal Account" (the "2024 General Tax Principal Account" or the "General Tax Principal Account") and as the "City of Reno, Nevada, General Obligation (Limited Tax) Capital Improvement Refunding Bonds, Series 2024, General Tax Interest Account" (the "2024 General Tax Interest Account" or the "General Tax Interest Account"). Pursuant to NRS 350.592 and 350.594, there shall be levied in the calendar year 2024 (if necessary to implement this Ordinance), and annually thereafter, until all of the Bond Requirements shall have been fully paid, satisfied and discharged, a General Tax on all property, both real and personal, subject to taxation within the boundaries of the City fully sufficient to reimburse such funds for such installments of Bond Requirements, together with the revenue which will result from application of the rate to the net proceeds of minerals, to pay the interest on the Bonds, and to pay and retire the same as hereinabove provided, and after there are made due allowances for probable delinquencies. The proceeds of the annual levies shall be duly credited to such separate accounts for the payment of the Bond Requirements, including any mandatory sinking fund payments pursuant to Section 303B hereof, if any. In the preparation of the annual budget or appropriation resolution or ordinance for the City, the City shall first make proper provisions through the levy of sufficient General Taxes for the payment of the interest on and the retirement of the principal of the bonded indebtedness of the City, including, without limitation, the Bonds, subject to the limitations imposed by NRS 361.453 and Section 2, Article 10, Nevada Constitution, and the amount of money necessary for this purpose shall be a first charge against all the revenues received by the City.

Section 502. Priorities for Bonds. As provided in NRS 361.463 in any year in which the total General Taxes levied against the property in the City by all overlapping units within the boundaries of the City may exceed the limitation of \$3.64 on each \$100 of assessed valuation, or a lesser or greater amount fixed by the State board of examiners if the State board of examiners is directed by law to fix a lesser or greater amount for that Fiscal Year as provided in NRS 361.453, and it shall become necessary by reason thereof to reduce the levies made by any and all such units, the reductions so made shall be in General Taxes levied by such unit or units (including, without limitation, the City and the State) for purposes other than the payment of their bonded indebtedness, including interest thereon. The General Taxes levied for the payment of such bonded indebtedness and the interest thereon shall always enjoy a priority over General Taxes levied by each such unit (including, without limitation, the City and the State) for all other purposes where reduction is necessary in order to comply with the limitation of NRS 361.453.

Section 503. Correlation of Levies. Such General Taxes shall be levied and collected in the same manner and at the same time as other General Taxes are levied and collected, and the proceeds thereof for the Bonds shall be kept by the City in the General Tax Principal Account and in the General Tax Interest Account, which shall be used for no other purpose than the payment of principal of and interest on the Bonds, and any other Parity Securities issued in accordance with Section 910 hereof, respectively, as the same fall due.

Section 504. Use of General Fund. Any sums becoming due on the Bonds at any time when there are on hand from such tax levy or levies (and any other available moneys) insufficient funds to pay the same shall be promptly paid when due from general funds on hand belonging to the City, reimbursement to be made for such general funds in the amounts so advanced when the Taxes herein provided for have been collected, pursuant to NRS 350.596.

Section 505. Use of Other Funds. Nothing herein prevents the City from applying any funds (other than General Taxes) that may be available for that purpose to the payment of such interest or principal, as the same, respectively, mature, including, without limitation, the payment of the Bonds as provided in Section 604 hereof and elsewhere herein, and upon such payments, the levy or levies herein provided may thereupon to that extent be diminished, pursuant to NRS 350.598.

Section 506. Legislative Duties. In accordance with NRS 350.592 and 361.463, it shall be the duty of the City annually, at the time and in the manner provided by law for levying other

General Taxes of the City, if such action shall be necessary to effectuate the provisions of this Ordinance, to ratify and carry out the provisions hereof with reference to the levy and collection of General Taxes; and the City shall require the officers of the City to levy, extend and collect such General Taxes in the manner provided by law for the purpose of creating funds for the payment of the principal of the Bonds and interest thereon. Such General Taxes when collected shall be kept for and applied only to the payment of the principal of and the interest on the Bonds as hereinbefore provided.

Section 507. Appropriation of General Taxes. In accordance with NRS 350.602, there is hereby specially appropriated the proceeds of the General Taxes to the payment of such principal and interest; and such appropriations shall not be repealed nor the General Taxes postponed or diminished (except as herein otherwise expressly provided) until the principal of and interest on the Bonds have been wholly paid.

ARTICLE VI

Section 601. Pledge Securing Bonds. Subject only to the right of the City to cause amounts to be withdrawn to pay the cost of the Project as provided herein, all of the Pledged Revenues and all moneys and securities paid or to be paid to or held or to be held in any account under this article or under Section 401 hereof, excluding, however, all amounts held in the Rebate Account and the Escrow Account, are hereby pledged to secure the payment of the Bond Requirements of the Bonds; and this pledge shall be valid and binding from and after the date of the first delivery of any Bonds, and the moneys, as received by the City and hereby pledged, shall immediately be subject to the lien of this pledge without any physical delivery thereof, any filing, or further act, and the lien of this pledge and the obligation to perform the contractual provisions hereby made shall have priority over any or all other obligations and liabilities of the City, except for the superior liens on the Pledged Revenues of the Outstanding Superior Securities and any securities hereafter issued on a parity with any of the Outstanding Superior Securities and the parity liens on the Pledged Revenues of the Outstanding Parity Securities and superior to the subordinate liens on the Pledged Revenues of the Outstanding Subordinate Securities, and except for any Outstanding securities hereafter authorized the liens of which on all or a portion of the Pledged Revenues are superior to or on a parity with the lien thereon of the Bonds; the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the City (except as herein otherwise provided) irrespective of whether such parties have notice thereof.

Section 602. Pledged Revenues Account Deposits. There is hereby continued in this Ordinance a special account designated as the "City of Reno, Nevada, Capital Improvement Revenue Account" (the "Pledged Revenues Account"). So long as any of the Bonds shall be Outstanding, as to any Bond Requirements, the Bowling Facility Tax pursuant to the 1991 Act, except for amounts refunded to taxpayers as provided in such statutes and ordinances, shall be set aside upon the receipt of such revenues by the City and credited to the "Bowling Facility Tax Subaccount" of the Pledged Revenues Account, which account shall be held and maintained by the City. So long as any of the Bonds shall be Outstanding, as to any Bond Requirements, the 1999 Tax pursuant to the 1999 Act, except for amounts refunded to taxpayers as provided in such statutes and ordinances, shall be set aside upon the receipt of such revenues by the City and credited

to the "1999 Tax Subaccount" of the Pledged Revenues Account, which account shall be held and maintained by the City. So long as any of the Bonds shall be Outstanding, as to any Bond Requirements, the Consolidated Tax Pledged Revenues, pursuant to the Consolidated Tax Act, except for amounts refunded to taxpayers as provided in such statutes and ordinances, shall be set aside upon the receipt of such revenues by the City and credited to the "Consolidated Tax Pledged Revenues Subaccount" of the Pledged Revenues Account, which account shall be held and maintained by the City. The Pledged Revenues Account shall be maintained by the City separate and apart from all other City funds, including the Bond Fund.

Section 603. Administration of Pledged Revenues Account. So long as any of the Bonds hereby authorized shall be Outstanding, as to any Bond Requirements, each Fiscal Year the Pledged Revenues Account shall be administered, and the moneys on deposit therein shall be applied in the following order of priority, all as provided in Sections 604 through 607 hereof; provided, however, that the Pledged Revenues shall be allocated and distributed in the following order of priority: first, the Room Tax Pledged Revenues and second, the remaining Consolidated Tax Pledged Revenues, after deduction of the payment of (i) the Bond Requirements of the Outstanding Superior Securities, (ii) the Bond Requirements of any bonds hereafter issued on a parity with any of the Outstanding Superior Securities, and (iii) the reserve and rebate requirements associated with such bonds.

Section 604. Superior Bond Fund and Bond Fund Payments for the Bonds.

A. First, from any moneys in the Pledged Revenues Account, i.e., from the Pledged Revenues, there shall be credited to any bond fund created to pay the principal of, interest on and prior redemption premiums, if any, due on any Superior Securities issued in accordance with the provisions of this Ordinance:

(1) Monthly, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next maturing installment of interest on the Superior Securities, and monthly thereafter, commencing on each interest payment date, one-sixth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next maturing installment of interest on the Superior Securities then Outstanding.

(2) Monthly, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay

the next installment of principal of the Superior Securities coming due at maturity, and monthly thereafter, commencing on each principal payment date, one-twelfth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next installment of principal of the Superior Securities coming due at maturity, or, if any, an amount sufficient to pay the principal of, interest on and any prior redemption premiums due on the outstanding Superior Securities.

B. Second, subject to the provisions of Section 606 hereof, the following transfers shall be credited to a separate and special account hereby created and to be known as the "City of Reno, Nevada, General Obligation (Limited Tax) Capital Improvement Refunding Bonds, Series 2024 Bond Fund" (the "Bond Fund") concurrently with the payments required for any Parity Securities hereafter issued into the bond funds therefor, as required by the ordinances authorizing those Parity Securities:

(1) Monthly, commencing on the first of the month following the date of the closing of the Bonds, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, including, without limitation, the moneys, if any, provided in Section 401A hereof, to pay the next maturing installment of interest on the Bonds, and monthly thereafter, commencing on each interest payment date, one-sixth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next maturing installment of interest on the Bonds then Outstanding.

The moneys credited to the Bond Fund shall be used to pay the Bond Requirements of the Bonds as the Bond Requirements become due, including any mandatory sinking fund payments pursuant

to Section 303B hereof, if any. Such Bond Fund shall be maintained by the City separate and apart from all other City funds, including the Pledged Revenues Account.

Section 605. Termination of Deposits. No payment need be made into the Bond Fund, if the amount in the Bond Fund totals a sum at least equal to the entire amount of the Outstanding Bonds as to all Bond Requirements, to their respective maturities, and both accrued and not accrued, in which case moneys in that account in an amount at least equal to such Bond Requirements shall be used solely to pay such Bond Requirements as the same become due; and any moneys in excess thereof in those two accounts and any other moneys derived from the Pledged Revenues shall be applied as hereafter provided.

Section 606. Payment of Additional Securities. Third, and subject to the provisions hereinabove in this Article, but either prior to, concurrently with or subsequent to the payments required by Section 604 hereof, as provided in Article VIII hereof, any moneys remaining in the Pledged Revenues Account may be used by the City for the payment of additional bonds or other additional securities payable from the Pledged Revenues and hereafter authorized to be issued in accordance with Article VIII and any other provisions herein supplemental thereto, including reasonable reserves for such securities, as the same accrue. The lien of such additional bonds or other additional securities on the Pledged Revenues and the pledge thereof for the payment of such additional securities shall be superior to, on a parity with or subordinate to the lien and pledge of the Bonds as herein provided. Payments for bond and reserve funds for any Superior Securities shall be made concurrently with the payments for Superior Securities required by Section 604 hereof. Payments for bond and reserve funds for the Bonds and any Parity Securities shall be made concurrently with the payments for the Bonds required by Section 604 hereof, but payments for bond and reserve funds for additional Subordinate Securities shall be made after the payments required by Sections 604 and 607 hereof.

Section 607. Payment of Rebate. Fourth, and subject to the provisions hereinabove in this Article, there shall be transferred into the "City of Reno, Nevada, General Obligation (Limited Tax) Refunding Bonds Rebate Account," hereby created, after making in full the monthly deposits required by Sections 604 and 606, but prior to the transfer of any Pledged Revenues to the payment of subordinate securities, such amounts as are required to be deposited therein to meet the City's obligations under the covenant contained in Section 920 hereof, in accordance with Section 148(f) of the Tax Code. Amounts in the Rebate Account shall be used for the purpose of making the

payments to the United States required by such covenant and Section 148(f) of the Tax Code. Any amounts in the Rebate Account in excess of those required to be on deposit therein by Section 920 hereof and Section 148(f) of the Tax Code may be withdrawn therefrom and used for any lawful purpose relating to the Project.

Section 608. Use of Remaining Revenues. After the payments hereinabove required to be made in this Article VI are made, any remaining Pledged Revenues in the Pledged Revenues Account may be used at any time during any Fiscal Year whenever in the Fiscal Year there shall have been credited to the Bond Fund, to the Rebate Account and to each other bond fund and reserve fund, if any, for the payment of any other securities payable from the Pledged Revenues, all amounts required to be deposited in those special accounts for such portion of the Fiscal Year, as hereinabove provided in this Article, for any one or any combination of lawful purposes relating to the Project, or otherwise, as the City may from time to time determine.

ARTICLE VII

GENERAL ADMINISTRATION

Section 701. Administration of Accounts. The special accounts designated in Articles IV and VI hereof shall be administered as provided in this Article.

Section 702. Places and Times of Deposits. Each of the special accounts hereinabove designated in Articles IV and VI hereof shall be maintained as a book account and kept separate from all other accounts as a trust account solely for the purposes herein designated therefor, and the moneys accounted for in such special book accounts shall be deposited in one bank account or more in a commercial bank or commercial banks as determined and designated by the City (except as otherwise expressly stated herein). Nothing herein prevents the commingling of moneys accounted for in any two or more book accounts relating to the Project or any other City accounts in any bank account or any investment in securities hereunder. Each bank account shall be continuously secured to the fullest extent required or permitted by the laws of the State for the securing of public funds and shall be irrevocable and not withdrawable by anyone for any purpose other than the respective designated purposes. Each periodic payment shall be credited to the proper book account not later than the date therefor herein designated, except that when any such date shall be a Saturday, a Sunday or a legal holiday, then the payment shall be made on or before the next preceding secular day. Notwithstanding any other provision herein to the contrary, moneys sufficient to pay the Bond Requirements then coming due on the Outstanding Bonds shall be deposited with the Paying Agent at least on the day of each interest payment date herein designated and, in any event, in sufficient time to make timely payment of such Bond Requirements.

Section 703. Investment of Moneys. Any moneys in any account designated in Articles IV and VI hereof, and not needed for immediate use, may be invested or reinvested by the City in any investments permitted under the laws of the State. For the purpose of any such investment or reinvestment, the securities shall be deemed to mature at the earliest date on which the obligor is, on demand, obligated to pay a fixed sum in discharge of the whole of such obligations.

Section 704. Required and Permissive Investments. The City shall not have any obligation to make any investment or reinvestment hereunder, unless any moneys on hand and accounted for in any one account exceeds \$5,000 and at least \$5,000 therein will not be needed for

a period of not less than 60 days. In that event the City shall invest or reinvest in securities to the extent practicable not less than substantially all the amount which will not be needed during such 60-day period, except for any moneys on deposit in an interest-bearing account in any commercial bank, regardless of whether such moneys are evidenced by a certificate of deposit or otherwise, pursuant to Section 707 hereof. The City may invest or reinvest any moneys on hand at any time as provided in Section 703 hereof even though he is not obligated to do so.

Section 705. Accounting for Investments. The securities purchased as an investment or reinvestment of moneys in any such account shall be deemed at all times to be a part of the account and held in trust therefor. Except as herein otherwise provided, any interest or other gain in any account resulting from any such investments and reinvestments in securities and from any deposits of moneys in any commercial bank pursuant to this Article shall be credited to that account, and any loss in any account resulting from any such investments and reinvestments in securities and from any such deposits in any commercial bank shall be charged or debited to that account. No loss or profit in any account on any investments or reinvestments in securities or any certificates of deposit shall be deemed to take place as a result of fluctuations in the market quotations of the investments, reinvestments or certificates before the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided, securities and certificates of deposit shall be valued at the cost thereof (including any amount paid as accrued interest at the time of purchase of the obligation) and other bank deposits shall be valued at the amounts deposited, exclusive of any accrued interest or any other gain to the City until such gain is realized. The expenses of purchase, safekeeping, sale and all other expenses incident to any investment or reinvestment of moneys pursuant to this Article shall be accounted for as an expense of the Project and charged to the Costs of Issuance Account.

Section 706. Redemption or Sale of Investment Securities. The City shall present for redemption at maturity or sale on the prevailing market at the best price obtainable any securities and certificates of deposit so purchased as an investment or reinvestment of moneys in any account whenever it shall be necessary to do so in order to provide moneys to meet any withdrawal, payment or transfer from such account.

Section 707. Character of Funds. The moneys in any account herein authorized shall consist either of lawful money of the United States or permitted securities, or both. Moneys deposited in a demand or time deposit account in or evidenced by a certificate of deposit of any

commercial bank pursuant to Section 703 hereof, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 708. Accelerated Payments. Nothing contained in Article VI hereof prevents the accumulation in any account herein designated of any monetary requirements at a faster rate than the rate or minimum rate provided in Article VI therefor, as the case may be; but no payment shall be so accelerated if such acceleration shall cause the City to default in the payment of any obligation of the City relating to the Pledged Revenues or the Project. Nothing contained herein, in connection with the Pledged Revenues received in any Fiscal Year, requires the accumulation in any account for the payment of Bond Requirements due in connection with any series of bonds or other securities payable from the Pledged Revenues and heretofore, herein or hereafter authorized, in excess of the Bond Requirements required to be accumulated in that fiscal year, and of any reserves required to be accumulated and maintained therefor, and of any existing deficiencies, and payable from such account, as the case may be, except as may be otherwise provided in Section 604 or elsewhere herein.

Section 709. Payment of Securities Requirements. The moneys credited to any account designated in Article VI hereof for the payment of the Bond Requirements due in connection with any series of bonds or other securities payable from the Pledged Revenues and heretofore, herein or hereafter authorized shall be used, without requisition, voucher, warrant or further order or authority (other than is contained herein), or any other preliminaries, to pay promptly the Bond Requirements payable from such account as such bonds or other securities become due, upon the respective interest payment dates and Redemption Dates, if any, on which the City is obligated to pay the bonds or other securities, or upon the respective interest payment and maturity dates of such bonds or other securities, as provided therefor herein or otherwise, except to the extent any other moneys are available therefor, including, without limitation, moneys accounted for in the Bond Fund.

Section 710. Payment of Redemption Premiums. Notwithstanding any other provision herein, this Ordinance requires the accumulation in any account designated in Article VI hereof for the payment of any series of bonds or other securities payable from the Pledged Revenues of amounts sufficient to pay not only the principal thereof and interest thereon payable from such account but also the prior redemption premiums due in connection therewith, if any, as the same become due, whenever the City shall have exercised or shall have obligated itself to exercise a

prior redemption option relating thereto, except to the extent provision is otherwise made therefor, if any prior redemption premium is due in connection therewith. In that event moneys shall be deposited into such account in due season for the payment of all such Bond Requirements without default as the same become due.

ARTICLE VIII

SECURITIES LIENS AND ADDITIONAL SECURITIES

Section 801. Lien of the Bonds. The Bonds authorized herein constitute an irrevocable lien (but not necessarily an exclusive lien) upon the Pledged Revenues, subject to and after any superior liens on the Pledged Revenues of any Superior Securities, on a parity with the parity liens on the Pledged Revenues of any Parity Securities and superior to any liens on the Pledged Revenues of any Subordinate Securities.

Section 802. Equality of Bonds. The Bonds and any Parity Securities authorized to be issued and from time to time Outstanding are equally and ratably secured by a lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues, regardless of the time or times of the issuance of the Bonds and any other such securities, it being the intention of the City that there shall be no priority among the Bonds and any such Parity Securities, regardless of the fact that they may be actually issued and delivered at different times.

Section 803. Issuance of Superior Securities or Parity Securities. Nothing herein, subject to the limitations stated in Sections 811 and 812 hereof, prevents the issuance by the City of additional bonds or other additional securities payable from all or a portion of the Pledged Revenues and constituting a lien thereon superior to or on a parity with, the lien thereon of the Bonds, nor prevents the issuance of bonds or other securities refunding all or a part of the Bonds (or funding or refunding any other then Outstanding securities payable from Pledged Revenues), except as provided in Sections 807 through 812 hereof; but before any such additional Superior Securities or Parity Securities are authorized or actually issued (excluding any Superior Securities or Parity Securities refunding such securities other than any securities refunding subordinate bonds or other subordinate securities, as permitted in Section 810C hereof):

A. Absence of Default. At the time of the adoption of the supplemental instrument authorizing the issuance of the additional securities, the City shall not be in default in making any payments required by Sections 604, 606 or 607 hereof with respect to any Superior Securities or Parity Securities.

B. Earnings Test. Except as hereinafter otherwise provided: (1) the Pledged Revenues derived in the Fiscal Year immediately preceding the date of the issuance of the additional Superior Securities or Parity Securities shall have been at least sufficient to pay an

amount equal to the combined maximum annual principal and interest requirements (to be paid during any one Bond Year, commencing with the Bond Year in which the additional Superior Securities or Parity Securities are issued and ending on the Bond Year in which any then Outstanding Bonds last mature) of the Outstanding Bonds and any other Outstanding Superior Securities or Parity Securities of the City and the bonds or other securities proposed to be issued (excluding the reserves therefor); or, (2) the Pledged Revenues estimated by the Director of Finance, independent feasibility consultant or an Independent Accountant to be derived in the first five Fiscal Years immediately succeeding the issuance of the other additional Superior Securities or Parity Securities proposed to be issued, shall be at least equal to such annual principal and interest requirements to be paid during such Fiscal Years.

C. Adjustment of Pledged Revenues. In any computation of such earnings test as to whether or not additional Superior Securities or Parity Securities may be issued as provided in subsection B of this Section, the amount of the Pledged Revenues for the next preceding Fiscal Year shall be decreased and may be increased by the amount of any loss or gain conservatively estimated by the Director of Finance, independent feasibility consultant or Independent Accountant making the computations under this Section, which loss or gain results from any change in rate of levy of the taxes and impositions provided in the Consolidated Tax Act, the 1991 Act or the 1999 Act which will result in a change in the amount of Pledged Revenues which change took effect during the next preceding Fiscal Year or thereafter prior to the issuance of such Superior Securities or Parity Securities, as if such modified rate shall have been in effect during the entire next preceding Fiscal Year, if such change shall have been made before the computation of the designated earnings test but made in the same Fiscal Year as the computation is made or in the next preceding Fiscal Year.

Section 804. Certification of Revenues. A written certification or written opinion by the Director of Finance, an independent feasibility consultant or an Independent Accountant, based upon estimates thereby as provided in Section 803B and Section 803C hereof, that the annual revenues when adjusted as hereinabove provided in Section 803C hereof, are sufficient to pay such amounts as provided in Section 803B hereof, shall be conclusively presumed to be accurate in determining the right of the City to authorize, issue, sell and deliver additional Superior Securities or Parity Securities.

Section 805. Subordinate Securities Permitted. Nothing herein, subject to the limitations stated in Sections 811 and 812 hereof, prevents the City from issuing additional Subordinate Securities payable from all or a portion of the Pledged Revenues having a lien thereon subordinate, inferior and junior to the lien thereon of the Bonds.

Section 806. Superior Securities Permitted. Nothing herein, subject to the requirements stated in this Article VIII hereof, prevents the City from issuing additional bonds or other additional securities payable from all or a portion of the Pledged Revenues having a lien thereon prior and superior to the lien thereon of the Bonds.

Section 807. Issuance of Refunding Securities. At any time after the Bonds, or any part thereof, are issued and remain Outstanding, if the City shall find it desirable to refund any Outstanding Bonds or other Outstanding securities payable from and constituting a lien upon any Pledged Revenues, such Bonds or other securities, or any part thereof, may be refunded only if the Bonds or other securities at the time or times of their required surrender for payment shall then mature or shall be then callable for prior redemption for the purpose of refunding them at the City's option upon proper call, unless the owner or owners of all such Outstanding Bonds or other securities consent to such surrender and payment, regardless of whether the priority of the lien for the payment of the refunding securities on the Pledged Revenues is changed (except as provided in Sections 806 and 808 through 812 hereof).

Section 808. Partial Refundings. The refunding bonds or other refunding securities so issued, unless issued as subordinate securities, shall enjoy complete equality of lien with the portion of any securities of the same issue which is not refunded, if there is any; and the owner or owners of the refunding securities shall be subrogated to all of the rights and privileges enjoyed by the owner or owners of the unrefunded securities of the same issue partially refunded by the refunding securities.

Section 809. Limitations Upon Refundings. Any refunding bonds or other refunding securities payable from any Pledged Revenues shall be issued with such details as the City may by instrument provide, subject to the provisions of Sections 811 and 812 hereof, and subject to the inclusion of any such rights and privileges designated in Section 808 hereof, but without any impairment of any contractual obligation imposed upon the City by any proceedings authorizing the issuance of any unrefunded portion of the Outstanding securities of any one or more issues (including, without limitation, the Bonds).

Section 810. Protection of Securities Not Refunded. If only a part of the Outstanding Bonds and other Outstanding securities of any issue or issues payable from the Pledged Revenues is refunded, then such securities may not be refunded without the consent of the owner or owners of the unrefunded portion of such securities:

A. Requirements Not Increased. Unless the refunding securities do not increase for any Bond Year the annual principal and interest requirements evidenced by the refunding securities and by the Outstanding securities not refunded on and before the last maturity date or last Redemption Date, if any, whichever is later, if any, of the unrefunded securities, and unless the lien of any refunding bonds or other refunding securities on the Pledged Revenues is not raised to a higher priority than the lien thereon of the bonds or other securities thereby refunded; or

B. Subordinate Lien. Unless the lien on any Pledged Revenues for the payment of the refunding securities is subordinate to each such lien for the payment of any securities not refunded; or

C. Default and Earnings Test. Unless the refunding bonds or other refunding securities are issued in compliance with Section 803 hereof (including subsections A through C thereof) and Section 804 hereof.

Section 811. Payment Dates of Additional Securities. Any additional superior, parity or subordinate bonds or other additional superior, parity or subordinate securities (including, without limitation, any funding or refunding securities) issued in compliance with the terms hereof shall bear interest payable at the times and shall mature on the dates designated by the City in in an ordinance authorizing such securities.

ARTICLE IX

MISCELLANEOUS PROTECTIVE COVENANTS

Section 901. General. The City hereby particularly covenants and agrees with the owners of the Bonds and makes provisions which shall be a part of its contract with such owners to the effect and with the purposes set forth in the following provisions and sections of this article.

Section 902. Performance of Duties. The City shall faithfully and punctually perform or cause to be performed all duties with respect to the Pledged Revenues and the Project required by the Constitution and laws of the State and the various resolutions, ordinances and other instruments of the City, including, without limitation, the proper segregation of the proceeds of the Bonds and the Pledged Revenues and their application from time to time to the respective accounts provided therefor.

Section 903. Further Assurances. At any and all times the City, except when otherwise required by law, shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver and file or record all and every such further instruments, acts, deeds, conveyances, assignments, transfers, other documents and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, the Pledged Revenues, and other moneys and accounts hereby pledged or assigned, or which the City may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this Ordinance and to comply with the Project Act, the Bond Act and all laws supplemental thereto. The City shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Pledged Revenues and other moneys and accounts pledged hereunder and all the rights of every owner of any Bonds against all claims and demands of all Persons whomsoever.

Section 904. Conditions Precedent. Upon the date of issuance of any Bonds, all conditions, acts and things required by the Constitution or statutes of the State, including without limitation, the Project Act and the Bond Act, or this Ordinance, to exist, to have happened, and to have been performed precedent to or in the issuance of the Bonds shall exist, have happened, and have been performed; and the Bonds, together with all other obligations of the City, shall not contravene any debt or other limitation prescribed by the State Constitution or statutes.

Section 905. Covenant to Perform. The City shall observe and perform all of the terms and conditions contained in this Ordinance and the Project Act, the Bond Act and all laws

supplemental thereto and shall comply with all valid acts, rules, regulations, orders and directives of any legislative, executive, administrative or judicial body applicable to the Project, to any such other facilities, or to the City.

Section 906. Protective Security. The City and the officers, agents and employees of the City shall not take any action in such manner or to such extent as might prejudice the security for the payment of the Bond Requirements of the Bonds and any other securities payable from the Pledged Revenues according to the terms thereof. No contract shall be entered into nor any other action taken by which the rights of any owner of any Bond or other security payable from the Pledged Revenues might be prejudicially and materially impaired or diminished.

Section 907. Accumulation of Interest Claims. In order to prevent any accumulation of coupons or claims for interest after maturity, the City shall not directly or indirectly extend or assent to the extension of the time for the payment of any coupon or claim for interest on any of the Bonds or any other securities payable from the Pledged Revenues; and the City shall not directly or indirectly be a party to or approve any arrangements for any such extension or for the purpose of keeping alive any of such coupons or other claims for interest. If the time for the payment of any such coupons or of any other such installment of interest shall be extended in contravention of the foregoing provisions, such coupon or installment or installments of interest after such extension or arrangement shall not be entitled in case of default hereunder to the benefit or the security of this Ordinance, except upon the prior payment in full of the principal of all Bonds and any such other securities then Outstanding and of all matured interest on such securities the payment of which has not been extended.

Section 908. Prompt Payment of Bonds. The City shall promptly pay the Bond Requirements of every Bond issued hereunder and secured hereby at the places, on the dates, and in the manner specified herein and in the Bonds according to the true intent and meaning hereof.

Section 909. Use of Bond Fund. The Bond Fund shall be used solely, and the moneys credited to such account are hereby pledged, for the purpose of paying the Bond Requirements of the Bonds, subject to the provisions concerning surplus moneys in Sections 605, 608 and 1001 hereof.

Section 910. Additional Securities. Any other securities hereafter authorized to be issued and payable from the Pledged Revenues shall not hereafter be issued, unless the additional securities are also issued in conformance with the provisions of Articles VI and VIII hereof.

Section 911. Other Liens. Other than as provided herein, there are no liens or encumbrances of any nature whatsoever on or against the Project, or any part thereof, or on or against the Pledged Revenues derived or to be derived.

Section 912. Corporate Existence. The City shall maintain its corporate identity and existence so long as any of the Bonds remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities, duties and immunities of the City and is obligated by law to fix and collect the Pledged Revenues as herein provided without adversely affecting to any substantial degree at any time the privileges and rights of any owner of any Outstanding Bond.

Section 913. Director of Finance's Report. If the City defaults in paying promptly the Bond Requirements of the Bonds and any other securities payable from the Pledged Revenues as the same fall due, or in the keeping of any covenants herein contained, and if such default continues for a period of 60 days, or if the Pledged Revenues in any Fiscal Year fail to equal at least the amount of the Bond Requirements of the Outstanding Bonds and any other securities (including all reserves therefor specified in the authorizing proceedings) payable from the Pledged Revenues in any such Bond Year, the Director of Finance shall (a) submit to the Council a report on such deficiency and a proposal setting forth a plan to produce Pledged Revenues in the following Fiscal Year sufficient to pay such amounts, to the extent practicable and (b) submit to the Council quarterly reports on the progress made in implementing the plan so long as such default continues or so long as the Pledged Revenues are less than the amount hereinabove designated in this Section.

Section 914. Budgets. The City and officials of the City shall annually and at such other times as may be provided by law prepare and adopt a budget relating to the Project.

Section 915. Amendments to Consolidated Tax Act, 1991 Act or 1999 Act. The City shall not consent to any amendment of the Consolidated Tax Act, the 1991 Act or the 1999 Act which would materially and adversely affect the owners of the Bonds.

Section 916. Records. So long as any of the Bonds and any other securities payable from the Pledged Revenues remain Outstanding, proper records of record and account shall be kept by the City, separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Project or the Pledged Revenues, or to both. Such records shall include (but not necessarily be limited to) monthly records showing:

A. Receipts. The revenues received from the Pledged Revenues, and

B. Expenses. A detailed statement of the expenditures from the Pledged Revenues.

Section 917. Maintenance and Inspection of Records. All requisitions, requests, certificates, opinions and other documents received by any individual on behalf of the City in connection with the Project under the provisions of this Ordinance shall be retained in the City's official records. Any owner of any of the Bonds or any other securities payable from the Pledged Revenues, or any duly authorized agent or agents of such owner, shall have the right at all reasonable times to inspect all records, accounts and data relating thereto, concerning the Project and the Pledged Revenues, to make copies of such records, accounts and data.

Section 918. Tax Levies. The City annually shall levy, or cause to be levied, General Taxes on all taxable property in the City fully sufficient to pay the Bond Requirements of Outstanding Bonds (and any other indebtedness or other obligations of the City), except to the extent other revenues are available therefor, including, without limitation, the Pledged Revenues pledged for the payment of the Bonds, as the Bond Requirements accrue, reasonable allowance being made for delinquent tax collections anticipated at the time of each levy, at the time and in the manner provided by law for levying other Taxes; and the City and the Council shall require the officers of the City to levy, extend, and collect General Taxes in the manner provided by law for the purpose of creating funds for the payment of the Bond Requirements of the Bonds, other indebtedness, or general obligations. General Taxes for the Bonds, when collected, shall be kept for and applied only to the payment of the Bond Requirements of the Bonds, as herein provided.

Section 919. Completion of Project. The City, with the proceeds derived from the sale of the Bonds and any other available moneys, shall proceed to cause the Project to be effected without delay to the best of the City's ability and with due diligence, as herein provided.

Section 920. Tax Covenant. The City covenants for the benefit of the owners of the Bonds that it will not take any action or omit to take any action with respect to the Bonds, the proceeds thereof, any other funds of the City or any project refinanced with the proceeds of the Bonds if such action or omission (i) would cause the interest on the Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Tax Code, or (ii) would cause interest on the Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b) of the Tax Code. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Bonds until the date on which

all obligations of the City in fulfilling the above covenant under the Tax Code have been met. The City makes no covenant with respect to taxation of interest on the Bond as a result of the inclusion of that interest in the "adjusted financial statement income" of "applicable corporations" (as defined in Sections 56A and 59(k), respectively, of the Tax Code).

Section 921. Continuing Disclosure Undertaking. The City covenants for the benefit of the holders and beneficial owners of the Bonds to comply with the provisions of the final Continuing Disclosure Certificate in substantially the form now on file with the City Clerk.

ARTICLE X

MISCELLANEOUS

Section 1001. Defeasance. When all Bond Requirements of any Bond has been duly paid, the pledge and lien and all obligations hereunder shall thereby be discharged and that Bond shall no longer be deemed to be Outstanding within the meaning of this Ordinance. There shall be deemed to be due payment of any Outstanding Bond when the City has placed in escrow or in trust with a trust bank located within or without the State, an amount sufficient (including the known minimum yield available for such purpose from Federal Securities in which such amount wholly or in part may be initially invested) to meet all Bond Requirements of the Bond or other security, as the same become due to the final maturity of the Bond or other security, or upon any Redemption Date as of which the City shall have exercised or shall have obligated itself to exercise its prior redemption option by a call of the Bond or other security for payment then. The Federal Securities shall become due before the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the City and the bank at the time of the creation of the escrow or trust, or the Federal Securities shall be subject to redemption at the option of the owners thereof to assure availability as so needed to meet the schedule. For the purpose of this Section "Federal Securities" shall include only Federal Securities which are not callable for redemption prior to their maturities except at the option of the owner thereof.

Section 1002. Delegated Powers. The Mayor, the Clerk, Director of Finance and Treasurer of the City, and other officers and agents of the City hereby are authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including, without limitation:

A. Printing Bonds. The printing of the Bonds, including, without limitation, a statement of insurance, if applicable, pertaining to the Bonds; and

B. Final Certificates. The execution of such certificates electronically or otherwise as may be reasonably required by the Purchaser, relating, inter alia, to

- (1) The signing of the Bonds,
- (2) The tenure and identity of the officials of the City,
- (3) The delivery of the Bonds and the receipt of the bond purchase price,
- (4) The exclusion of the interest on the Bonds from gross income for federal income tax purposes,

(5) If it is in accordance with fact, the absence of litigation, pending or threatened, affecting the validity therefor,

(6) The accuracy and completeness of the statements made in the Final Official Statement, and

(7) The completion and execution electronically or otherwise of the Certificate of the Director of Finance, the Escrow Agreement, an agreement with the Paying Agent and Registrar regarding obligations of the Paying Agent and Registrar hereunder and for the Bonds and the Continuing Disclosure Certificate by the Director of Finance in substantially the forms on file with the City Clerk with such changes as may be approved by the Director of Finance and the sale and issuance of the Bonds pursuant to the provisions of this Ordinance and to any supplemental instrument.

Section 1003. Statute of Limitations. No action or suit based upon the Bonds or other obligation of the City shall be commenced after it is barred by any statute of limitations relating thereto. Any trust or fiduciary relationship between the City and the owner of any Bonds or other obligee regarding any such other obligation shall be conclusively presumed to have been repudiated on the maturity date or other due date thereof unless the Bonds are presented for payment or demand for payment of any such other obligation is otherwise made before the expiration of the applicable limitation period. Any moneys from whatever source derived remaining in any account reserved, pledged or otherwise held for the payment of any such obligation, action or suit for the collection of which has been barred, shall revert to the Pledged Revenues Account, unless the City shall otherwise provide by instrument of the City. Nothing herein prevents the payment of any such obligation after any action or suit for its collection has been barred if the City deems it in the best interests of the public to do so and orders such payment to be made.

Section 1004. Evidence of Ownership. Any request, consent or other instrument which this Ordinance may require or may permit to be signed and to be executed by the owner of any Bonds or other securities may be in one or more instruments of similar tenor and shall be signed or shall be executed by each such owner in person or by such owner's attorney appointed in writing. Proof of the execution of any such instrument or of an instrument appointing any such attorney, or the holding by any Person of the securities, shall be sufficient for any purpose of this Ordinance (except as otherwise herein expressly provided) if made in the following manner, but the City may,

nevertheless, in its discretion require further or other proof in cases when it deems the same desirable:

A. Proof of Execution. The fact and the date of the execution by any owner of any Bonds or other securities or such owner's attorney of such instrument may be provided by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the Paying Agent and Registrar or of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the individual signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before the notary public or other officer; the authority of the individual or individuals executing any such instrument on behalf of a corporate owner of any securities may be established without further proof if the instrument is signed by an individual purporting to be the president or a vice president of the corporation with a corporate seal affixed and attested by an individual purporting to be its secretary or an assistant secretary; and the authority of any Person or Persons executing any such instrument in any fiduciary or representative capacity may be established without further proof if the instrument is signed by a Person or Persons purporting to act in such fiduciary or representative capacity; and

B. Proof of Ownership. The ownership of any of the Bonds or other securities held by any Persons executing any instrument as a holder of securities, and the numbers, date and other identification thereof, together with the date of such owner's holding the securities, shall be proved by the registration records at the City kept by the Registrar.

Section 1005. Warranty upon Issuance of Bonds. Any Bonds authorized as herein provided, when duly executed and delivered for the purpose provided for in this Ordinance shall constitute a warranty by and on behalf of the City for the benefit of each and every future holder of any of the Bonds that the Bonds have been issued for a valuable consideration in full conformity with law.

Section 1006. Immunities of Purchaser. The Purchaser and any associate thereof are under no obligation to any holder of the Bonds for any action that they may or may not take or in respect of anything that they may or may not do by reason of any information contained in any reports or other documents received by them under the provisions of this Ordinance. The immunities and exemptions from liability of the Purchaser and any associate thereof hereunder extend to their partners, directors, successors, employees and agents.

Section 1007. Police Power. Nothing herein prohibits or otherwise limits or inhibits the exercise by the Federal Government, the State, any agency thereof or any public body thereof, including, without limitation, the City, of the police power, i.e., essential governmental powers for the public welfare. The provisions hereof are subject to any proper exercise hereafter of the police power thereby. The City cannot contract away the police power thereof nor limit or inhibit by contract the proper exercise of the police power thereby, and this Ordinance does not purport to do so.

Section 1008. Replacement of Registrar or Paying Agent. If the Registrar or Paying Agent so appointed shall resign, or if the City shall reasonably determine that the Registrar or Paying Agent has become incapable of performing its duties hereunder, the City may, upon notice given electronically or otherwise to each owner of any Bond at such owner's address last shown on the registration records, appoint a successor Registrar or Paying Agent or both. Every such successor Registrar or Paying Agent shall be a trust bank. It shall not be required that the same institution serve as both Registrar and Paying Agent hereunder, but the City shall have the right to have the same institution serve as both Registrar and Paying Agent hereunder. No resignation or dismissal of the Registrar or the Paying Agent may take effect until a successor is appointed.

Any corporation or association into which the Registrar or Paying Agent may be converted or merged, or with which they may be consolidated, or to which they may sell or transfer their corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer, to which they are a party, shall be and become the successor Registrar or Paying Agent under this Ordinance, without the execution or filing of any instrument or any further act, deed, or conveyance on the part of any of the parties hereto, anything in this Ordinance to the contrary notwithstanding.

ARTICLE XI

PRIVILEGES, RIGHTS AND REMEDIES

Section 1101. Bondowner's Remedies. Each owner of any Bond issued hereunder shall be entitled to all of the privileges, rights and remedies provided or permitted in the Project Act and the Bond Act, and as otherwise provided or permitted by law or in equity or by other statutes, except as provided in Sections 207 through 211 hereof, but subject to the provisions herein concerning the pledge of and the covenants and the other contractual provisions concerning the Pledged Revenues and the proceeds of the Bonds.

Section 1102. Right to Enforce Payment. Nothing in this article affects or impairs the right of any owner of any Bond to enforce the payment of the Bond Requirements due in connection with such owner's Bond or the obligation of the City to pay the Bond Requirements of each Bond to the owner thereof at the time and the place expressed in the Bond.

Section 1103. Events of Default. Each of the following events is hereby declared an "event of default" under this Ordinance:

A. Nonpayment of Principal and Premium. Payment of the principal of any of the Bonds, or any prior redemption premium due in connection therewith, or both, is not made when the same becomes due and payable, at maturity, on the mandatory redemption dates specified in Section 303B hereof, or by proceedings for optional prior redemption, or otherwise;

B. Nonpayment of Interest. Payment of any installment of interest on the Bonds is not made when the same becomes due and payable;

C. Incapable to Perform. The City for any reason is rendered incapable of fulfilling its obligations hereunder, excluding, however, any obligations pursuant to Section 920 of this Ordinance;

D. Nonperformance of Duties. The City fails to carry out and to perform (or in good faith to begin the performance of) all acts and things lawfully required to be carried out or to be performed by it under any contract relating to the Pledged Revenues, or otherwise, including, without limitation, this Ordinance, excluding, however, the provisions of Section 920 of this Ordinance, and such failure continues for 60 days after receipt of notice from the owners of ten percent (10%) in principal amount of the Bonds then Outstanding;

E. Appointment of Receiver. An order or decree is entered by a court of competent jurisdiction with the consent or acquiescence of the City appointing a receiver or

receivers for the Pledged Revenues and any other moneys subject to the lien to secure the payment of the Bonds, or if an order or decree having been entered without the consent or acquiescence of the City is not vacated or discharged or stayed on appeal within 60 days after entry; and

F. Default of Any Provision. The City makes any default in the due and punctual performance of any other of the representations, covenants, conditions, agreements and other provisions contained in the Bonds or in this Ordinance on its part to be performed, except with respect to the provisions of Section 920 of this Ordinance, and if the default continues for 60 days after written notice specifying the default and requiring the same to be remedied is given to the City by the owners of 10% in principal amount of the Bonds then Outstanding or the Purchaser of the Bonds.

Section 1104. Remedies for Default. Upon the happening and continuance of any of the events of default, as provided in Section 1103 hereof, then and in every case the owner or owners or not less than ten percent (10%) in principal amount of the Bonds then Outstanding, including, without limitation, a trustee or trustees therefor, may proceed against the City and its agents, officers and employees to protect and to enforce the rights of any owner of Bonds under this Ordinance by mandamus or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as the owner or owners may deem most effectual to protect and to enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any owner of any Bond, or to require the City to act as it if were the trustee of an express trust, or any combination of such remedies. All proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all owners of the Bonds and any parity securities then Outstanding.

Section 1105. Receiver's Rights and Privileges. Any receiver appointed in any proceedings to protect the rights of owners hereunder, the consent to any such appointment being hereby expressly granted by the City, receive and apply all Pledged Revenues arising after the appointment of the receiver in the same manner as the City itself might do.

Section 1106. Rights and Privileges Cumulative. The failure of any owner of any Outstanding bond to proceed in any manner herein provided shall not relieve the City or any officers, agents or employees thereof of any liability for failure to perform or carry out any duty,

obligation or other commitment. Each right or privilege of any owner (or trustee thereof) is in addition and is cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any owner shall not be deemed a waiver of any other right or privilege thereof.

Section 1107. Duties upon Defaults. Upon the happening of any of the events of default as provided in Section 1103 hereof, the City, in addition, shall do and perform all proper acts on behalf of and for the owners of the Bonds to protect and to preserve the security created for the payment of their Bonds and to insure the payment of the Bond Requirements promptly as the same become due. During any period of default, so long as any of the Bonds issued hereunder, as to any Bond Requirements, are Outstanding, except to the extent it may be unlawful to do so, all Pledged Revenues shall be paid into the Bond Fund, or, in the event of securities heretofore and hereafter issued and Outstanding during that period of time on a parity with the Bonds, shall be paid into the bond accounts for all parity securities on an equitable and prorated basis, and used for the purposes therein provided. If the City fails or refuses to proceed as in this Section provided, the owner or owners of not less than ten percent (10%) in principal amount of the Bonds then Outstanding, after demand in writing, may proceed to protect and to enforce the rights of the owners of the Bonds as hereinabove provided; and to that end any such owners of Outstanding Bonds shall be subrogated to all rights of the City under any agreement, lease or other contract the Pledged Revenues entered into before the effective date of this Ordinance or thereafter while any of the Bonds are Outstanding.

Section 1108. Prejudicial Action Unnecessary. Nothing in this article requires the City to proceed as provided therein if the City determines in good faith and without any gross abuse of its discretion that if the City so proceeds it is more likely than not to incur a net loss rather than a net gain, or the action is otherwise likely to affect materially and prejudicially the owners of the Outstanding Bonds and any Outstanding parity securities.

ARTICLE XII

AMENDMENT OF ORDINANCE

Section 1201. Privilege of Amendments.
