Name of Board or Commission for which you would like to apply: (Required)
<p>*</p> <p>Youth City Council</p>

Explain briefly why you would like to be appointed to this board or commission.

Joining the Youth City Council would allow me to extend my commitment to civic engagement beyond my school community, applying my skills and passion to serve and connect with the broader Reno community and to make a tangible difference at the city level. Through my role as the Lead Peer Advising Liaison at my school, I've directly impacted my school community by advising over 15 students, planning and executing school-wide events, and delivering presentations aimed at fostering inclusivity and a supportive school environment. This experience has helped me develop essential skills in organizing and leading meaningful initiatives, as well as in training and mentoring a team of Peer Advising Liaisons to uphold our community's values. My role within my school community has allowed me to cultivate a deep commitment to civic engagement by promoting dialogue, inclusivity, and support within my school—a microcosm of our broader city community. I aim to continue this dedication to service on the Reno Youth City Council by actively contributing to initiatives that address youth concerns and by developing programs that uplift and empower young people in our city. Through the Youth City Council, I would seek opportunities to bring young voices into city discussions, advocate for initiatives that support community well-being, and foster a sense of belonging across diverse groups in Reno.
