Your Name (First and Last)	Michael Gawthrop-Hutchins
Council Meeting Date	Jan 24, 2024
Agenda Item	C.1
Do you wish to speak in person at the meeting?	No, written comment only (please submit your comments in the field below)
Your Comment (if you are speaking, it is not necessary to complete this field)	<p>I would like to voice my support for the city abandoning a portion of Line Dr to facilitate the expansion of the CARES Campus. This is a critical service in our community and should be allowed to expand their operations to serve the growing number of people in need. Especially given that this is a section of road that is a dead end with no through traffic already, there is literally no downside to this decision.</p> <p>I am aware that at least one public comment previously submitted had concerns about the loss of the baseball fields at Governors Bowl, but those baseball fields were already removed a while ago and short of undoing the work already done in that area, they aren't coming back, regardless of what decision is made regarding Line Dr. While I can definitely understand and agree with that commenter's concerns about outdoor recreation, it shouldn't be at the expense of rolling back existing and future expansions to a service as critical to our community as CARES.</p>
Which City of Reno Ward do you reside?	Ward 5
