Education or Training Relevant to the board or commission to which you are applying:

I hold a PhD in English from the University of Missouri. My dissertation's scholarly focus was on the use of archives in shaping storytelling.

Explain briefly why you would like to be appointed to this board or commission. Please attach any additional information you wish:

As a lifelong Reno-ite, I would love to serve on this board to ensure that our city's rich and vibrant history is preserved. I am a creative writer, and my work celebrates Reno throughout its history. My short story collection, titled Matter Out of Place, is a celebration of Reno, focusing on the city through the lens of characters from all walks of life. My novel is a dual timeline piece that alternates between the perspective of a brothel madame in 19th century Virginia City and a historian in present-day Reno. The research I've done for both projects have deepened my interest in preserving Reno's history.

I certify that, to the best of my knowledge, the information I provided in the application is true. If the information provided is false or incomplete, it shall be sufficient cause for disqualification or removal. If appointed, I agree to attend a board or commission orientation session, if applicable, within six months of my appointment. I understand that failure to comply with this requirement will result in automatic removal from the board or commission.
