Explain briefly why you would like to be appointed to this board or commission. Please attach any additional information you wish:

I am eager to join Reno's Youth City Council because I know that our youth can impact on this community. I want to help unify and empower my peers and see great opportunity for me to ensure that the voices of the youth are heard and valued. I've lived here my entire life and see the challenges that we face. I believe we have perspectives that can bring positive change. Throughout my time in high school, despite not having access to transportation, I've been a positive change maker in things like my tutoring. I've worked with many students and have grasped all kinds of perspectives that I hope to bring to the council. As a member, I want to advocate our youth's civic engagement - whether it's through encouraging registering to vote or increasing local community service. I want our youth to know that their contributions to our city matter. I would also like to continue promoting mental health awareness whether through workshops or targeted campaigns and events. I'm also excited to be a team of like-minded individuals who share the same value of making Reno better.

I certify that, to the best of my knowledge, the information I provided in the application is true. If appointed, I agree to attend a board or commission orientation session, if applicable, within six months of my appointment. I understand that failure to comply with this requirement will result in automatic removal from the board or commission.
