

RESOLUTION NO. _____

RESOLUTION IN SUPPORT OF THE CITY OF RENO APPLYING FOR A GRANT FROM THE NEVADA DIVISION OF ENVIRONMENTAL PROTECTION FOR THE RIVERMOUNT SEPTIC-TO-SEWER CONVERSION PROJECT, TOGETHER WITH MATTERS WHICH PERTAIN TO OR ARE NECESSARILY CONNECTED THERETO.

WHEREAS, The Nevada Division of Environmental Protection (NDEP) has grant funding available for water and sewer infrastructure improvement projects using the State Revolving Fund and taxpayer bonds and will award 25%-80% of the total project cost depending on available funding; and

WHEREAS, eligible projects include wastewater systems; and

WHEREAS, the Rivermount Neighborhood septic-to-sewer conversion project qualifies for this program because it would abandon individual sewage disposal systems; and

This conversion project will ensure residents in the area to remain in their homes if or when their septic system fail by bringing necessary sewer infrastructure to their property line; and

B. City staff is approved to submit the application for such grant funding; and

C. John Flansberg, Regional Infrastructure Administrator, and Kerrie Koski, Director of Public Works, are designated as authorized representatives for any resultant contracts.
