Explain briefly why you would like to be appointed to this board or commission.

As a long time member of the Reno community, I would like to get more involved with the city of Reno. I have attended multiple events and functions over the years that Reno has to offer and love living in this great community. Last summer, I had the privilege of discussing with Mayor Shieve and Jackie Bryant my concerns of dogs at events suffering from burnt paws on the hot asphalt around the Reno downtown area. After some ideas and possible solutions, we were able to construct and place signs around town warning pet owners of the hot asphalt and pavement. We met down at the river, with News cameras, the Reno Fire mascot dog, and City Manager Jackie Bryant to announce the placement of the signs around the city limits. I was thankful that my concern was taken into action by both the Mayor and City Manager. Their compassion prompted me to want to be more involved with the city council and the city of Reno in general. I hope to be of help to the Ward 2 Neighborhood Advisory Board.
