Any other circumstance, cause, or reason not within the reasonable control of Contractor, including without limitation a Force Majeure event, that causes an increase in costs or expenses or reduction in revenue of Contractor, such that the Rates do not fairly compensate Contractor for the Disposal Services.

Contractor may initiate a Rate Adjustment under this Section 5.3 not more than once annually, beginning no earlier than April 1, 2021 To obtain a Rate Adjustment, Contractor shall prepare and submit to the City and the Franchised Hauler a rate adjustment statement setting forth the nature of the event causing the increase in costs and a calculation of the increased costs and the Rate Adjustment necessary to offset such increased costs.
