Explain briefly why you would like to be appointed to this board or commission. Please attach any additional information you wish:

I would like to get more involved in the community and gain an informed opinion and perspective of what going on and the forces that get us there. If I enjoy this experience maybe one day aspire to join the system as an active participant.

Some topics I care to learn more about is the government programs and procedures that shape projects and local events that highlight the community's culture. I don't expect a detailed explanation just exposure for me to pursue at my own time and pace.

While not expecting this to scratch that itch, I am interested policies and conversations that deal with economic inequality and fair treatment of the unhoused. And I'm excited to see what programs and organizations contribute to local opportunities and culture. Regardless of whether or not I get appointed I plan on watching these NAB meetings and educating myself on the referenced programs during NAB and City council meetings for the foreseeable future.
