Education or Training Relevant to the board or commission to which you are applying:

Education: BA in Design from California State University Los Angeles.

CEO of my own firm technology and marketing firm in Los Angeles for almost 20 years.

Chairman, National Assn. of Women Business Owners Los Angeles Chapter, serving 300,000 small businesses with 10 years of volunteer service. Ventura County, CA consulting for the Board of Supervisors & City of Oxnard.

Explain briefly why you would like to be appointed to this board or commission. Please attach any additional information you wish:

In my prior city I founded and served as the Channel Islands Neighborhood Council, representing 2,500 homes on the 5th largest harbor in CA. I understand policy issues and how to communicate with residents in public meetings.

My prior home city was the same population size as Reno. I dealt regularly with the City Manager and the County Board of Supervisors on matters that were important to the residents. I think I can bring my public-serving experience to the Reno NAB, which will in turn support our City Council members more knowledgeable in their roles.

Our City, Oxnard has a different way of getting communications out to the 250,000 residents. They use a neighborhood council made up of 35 different neighborhoods in the city. They have one master neighborhood organization. When something important impacts a specific neighborhood, it is addressed on a smaller level than the Reno NAB. Outreach to 40,000+ in one NAB is challenging. The last NAB meeting I attended had only 3 members in the community attending in person and not many more online. I hope to address outreach as part of my volunteerism for Reno.

I certify that, to the best of my knowledge, the information I provided in the application is true. If the information provided is false or incomplete, it shall be sufficient cause for disqualification or removal. If appointed, I agree to attend a board or commission orientation session, if applicable, within six months of my appointment. I understand that failure to comply with this requirement will result in automatic removal from the board or commission.
