Reno City Planning Commission

Explain briefly why you would like to be appointed to this board or commission.

Worked in commercial real estate in Silicon Valley for decades before moving to Reno. I am a multi property owner in Reno and bc my investments are here I care about the city and Reno has a lot of potential, that needs outsiders point of view instead of locals who only want to stop any growth or changes. I come from the Silicon Valley and I have seen how overdevelopment won't push people out the city, so there must be a balance between development, keeping Parks and Recreation and keeping the small town feel that Reno provides. Also making sure it attracts businesses and innovators to keep Reno growing positively.
