**Subject:** We support amending the conditions for approval for LDC24-00055 (Airstream)

Hi Planning People,

We support amending the conditions for approval for LDC24-00055 (Airstream).

We also support the project in general. We are very much looking forward to having neighbors again and think Airstream will be a good fit.

We plan to come to the hearing on June 20 and look forward to finding out when and where.

Thanks!
