I would like to be part of the NAB to increase my involvement of being a concern citizen and help our ward with its growing needs.

Several of the City Council Members know of me and my points of interest. I feel being disabled and a person who lives in a mobile home community and understands seniors I could be a good addition to the NAB that currently has 6 openings. I hope to be considered and this would be a great learning experience to understand how from just listening, watching and commenting on items work from that common ground. Last state legislature session I gave and spoke on several items that sadly got vetoed by our Governor.
