

The background image shows a scenic view of a river, likely the Truckee River, flowing through a city. The river is surrounded by lush vegetation, including trees with vibrant autumn foliage in shades of red, orange, and yellow. A bridge with a railing is visible in the background, spanning the river. The sky is bright, suggesting a sunny day. The overall scene is peaceful and picturesque.

D.1.Truckee River ARPA Improvements

June 5, 2024

Amy Pennington: Public Works Special Projects and Outreach Coordinator

Downtown Action Plan Implementation 1.D.

Two Phases

Today: Approval of Recommendations for ARPA Funding Part 1

Future: Acceptance of River Plan & Funding Allocation for Project Completion

ARPA Update

Timeline

\$3,000,000 Truckee River Allocation

What We Heard: Public

What Amenities are Essential for a Thriving River Community?

- Parks & Open Spaces
- Nature Education & Observation
- Water Access Points

What Keeps You From Using the River?

- Cleanliness & Aesthetics
- Safety Concerns
- Lack of Trail Connectivity

Goals:

1

Create a Clean & Safe Riverfront

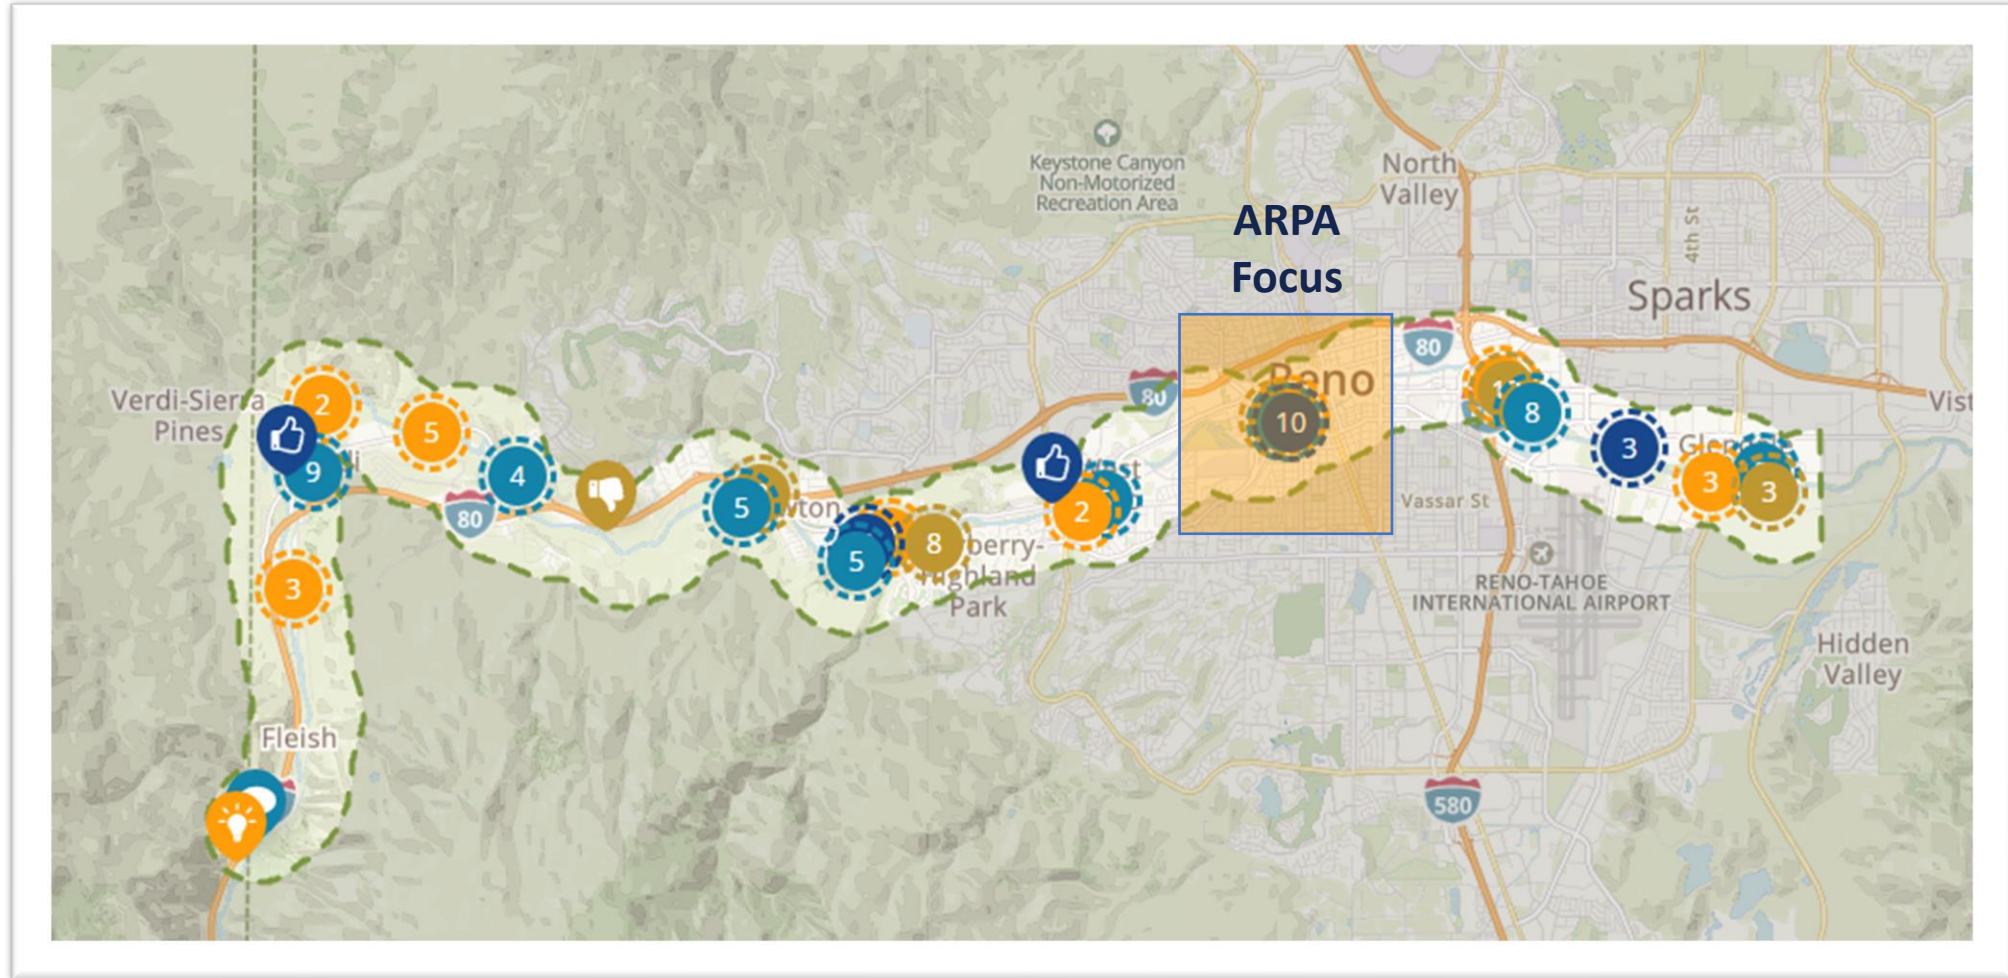

2

Create a Connected Riverfront with Easy Access to the River

3

Implement a Cohesive Plan for Consistency in Design & Long-Term Maintenance

Truckee River Vision Plan Area

Part Three:

1

- Riverside Drive Park Design and Lighting
- \$1,564,394

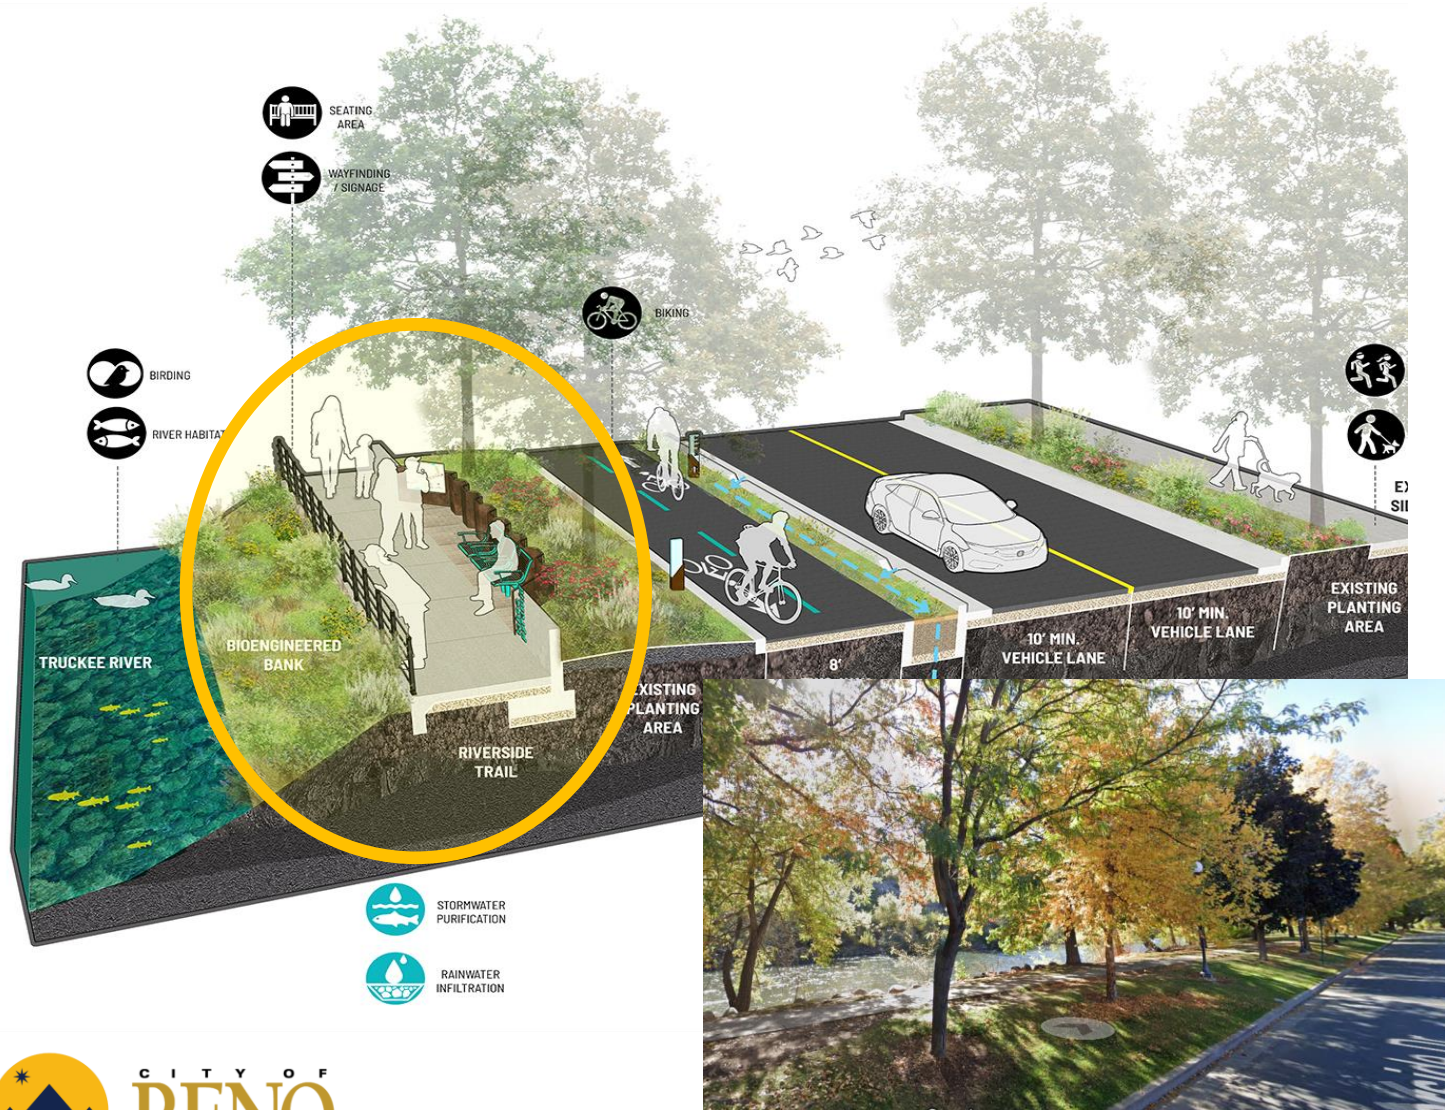

2

- Paint Refresh on River Elements
- \$260,000

3

- Cantilever Path Design
- \$280,000

Riverside Drive Park Design & Lighting

Design of park amenities to accompany flood wall and purchase of path lighting
=**\$1,564,394**
