* Redevelopment Agency Advisory Board	

## Explain briefly why you would like to be appointed to this board or commission.

I am very passionate about giving back to my community and being a part of improving the lived experience of Reno's constituency. I had originally heard through the grapevine about the redevelopment agency, its history, and some of the upcoming focuses that the board would be involved in. I believe Reno has the opportunity to continue the trajectory of growth that it has seen over the last couple of decades and if I would love to be part of the decision making and ground level efforts to accomplish the goals that the city has.

## Relevant Education or Training

I have been in the financial services field for over 13 years, during which time I have been able to speak with and get to know thousands of Renoites and Nevadans of all backgrounds. I believe I understand the pulse of the city, and have a vision of what this city could potentially offer. As a financial advisor I have the capability to analyze financial situations and translate the data / numbers into actionable verbal language. I am also proficient in communicating on a personal and professional level, whether it is reaching out to the public or coordinating tasks between groups. I have 10 years of experience working directly with Business owners and entrepreneurs, helping with business development, startup, funding, and overall business management and strategy. On a day to day basis my role is to analyze the goals, lifestyle, and resources of my clients in order to make recommendations and help build a plan on how to build, manage, and protect their wealth in the hopes of creating a future that is as close to their ideals as possible.
