Explain briefly why you would like to be appointed to this board or commission. Please attach any additional information you wish:

I wish to further pursue public advocacy for minorities in Reno! As a first gen Mexican-American, opportunities are everything. I want to showcase to our Reno youth, that whatever you set your mind to - do with intention it'll happen. I want youth to showcase films, paint murals, meet musicians, organize parades, hold pride in what they do, their passion. But not just their passion, their mission, their housing needs, need food banks, get other youth to vote & use their voices, finding or creating opportunities and guiding them towards them. A mission and passion with intention is what's set stone to those that come. Reno needs its youth to speak up and start initiating and I am here to support, advocate, cheer, and express why it is that will make Reno the better city that it is. I am a teacher and a person with passion whose mission is its people believe in, and who is leading them towards success.
