Explain briefly why you would like to be appointed to this board or commission. Please attach any additional information you wish:

I would like to be on the Urban Forestry Commission because I see the immense benefits that come from cultivating and expanding the urban tree canopy. I've seen what can happen when a small idea grows into a big project and I'm excited to contribute my energy and organizational skills to the Urban Forestry Commission. I believe I can be an important link between Washoe Schools and the City of Reno.

I have a background in marketing and communications and was the Forestry Extension Educator at Utah State University for 4 years before moving to Reno in 2019.

I have a particular interest in urban school greening projects and would like to focus on improving children's access to a healthy urban canopy.
