Name of Board or Commission for which you would like to apply: (Required)
<p>*</p> <p>Redevelopment Agency Advisory Board</p>

Explain briefly why you would like to be appointed to this board or commission.

2005, as I worked on my last semester of undergraduate studies at UNR, we were able to work on a project with the then Redevelopment Agency. Working on this project moved me to see economic and socioeconomic ideas merge and finding funding to make these big changes happen that need to outside of the General Fund in the most directed way possible for Reno. They were so successful and the downtown area has thrived. When I relocated back to the area, we made sure to be within walking distance to the River and Downtown. I want to inspire a Downtown as a community connectivity point for our very diverse population, staying true to the Reno we love, while growing our businesses. As someone who also works in Downtown at Whitney Peak Hotel, I have an acute insight to both the local, the transient traveler, the business traveler and those looking to conduct meetings and events in Downtown.

Relevant Education or Training

Worked on a College project for the Redevelopment Agency in 2005 for infill project ideas.
Sat on the Crystal Bay/Incline Village Advisory Board in 2006 (ish)
I worked as a Planner at a local Engineering Firm out of college in the area and understand the ideas to reality of master plans, neighborhood plans and how both governing bodies and community members can impact change with those that are landholders and investors in the community.
