Explain briefly why you would like to be appointed to this board or commission. Please attach any additional information you wish:

I would like to give back to my community by being an active member and engaging in activities that help promote a healthy, active, and engaging community for all. While I might not have a list of long degrees, or a commanding title, I do have experience of being a single mom and needing the services of Sierra Kids. I have spent great amounts of time enjoying our city parks and public areas. I've experienced the peace a park can bring or the community camaraderie a public area can create. I have invested my own personal time in the past and volunteered to help keep our parks and recreation areas clean or plant vegetation with local groups such as Keep Truckee Meadows Beautiful. To me, being a part of this commission gives me an opportunity to continue to be a helping hand as well as be a part of the revitalization of Reno. I can be that listening ear to constituents, for their concerns and help promote ideas or solutions when it comes to their use of the parks and recreation areas. I care deeply that these areas are safe, accessible, and promote health, inspiration, and fun from kids to adults. I would be honored to be a part of the team that helps keep all in order so that our community can come together and enjoy all the benefits these areas provide to our area and ourselves.

I certify that, to the best of my knowledge, the information I provided in the application is true. If the information provided is false or incomplete, it shall be sufficient cause for disqualification or removal. If appointed, I agree to attend a board or commission orientation session, if applicable, within six months of my appointment. I understand that failure to comply with this requirement will result in automatic removal from the board or commission.
