

## APPLICATION FOR REDUCTION OR SUBSIDIZATION OF BUILDING PERMIT FEES AND SEWER CONNECTION FEES FOR AFFORDABLE HOUSING DEVELOPMENTS

### Submittal Information

Pursuant to Statutes of Nevada 2019, enacted by the Nevada Legislature by passage of Senate Bill No. 103 (NRS 278.235(1)(a) and (2)) the city is enabled with the ability to reduce or subsidize in whole or in part impact fees, fees for the issuance of building permits collected pursuant to NRS 278.580 and fees imposed for the purpose for which an enterprise fund was created to assist in maintaining or developing a project for affordable housing.

Applications can be submitted electronically to the City of Reno Housing and Neighborhood Development Division ([housing@reno.gov](mailto:housing@reno.gov)). Following staff review, a Reno City Council public hearing will be scheduled within three (3) months of application receipt and a determination made by the Reno City Council on whether or not reducing or subsidizing the fees will adversely impair the ability of the city to pay, when due, all interest and principal on any outstanding bonds or any other obligations, for which revenue from such fees was pledged.

Commented [TW1]: What about electronic submission via [housing@reno.gov](mailto:housing@reno.gov)? Is there a legal requirement for hard copies?

**Questions:** For questions regarding this application, please contact City of Reno staff at [housing@reno.gov](mailto:housing@reno.gov) or by calling 775-334-2578.
