I want to share my strong and enthusiastic support for this project and ask that the city approve the requested affordable housing fee reduction. I've been proud to be a YIMBY for a while now, and I can now literally say "yes in my backyard" to a project that is so desperately needed in our city. This project should also act as a catalyst to get the city to fast track many of the proposed projects for the west side of downtown, such as the extension of the Lincoln Line to Stoker and improvements to the intersection of 4th and Stoker.
