Name of Board or Commission for which you would like to apply: (Required)
<p>*</p> <p>Recreation and Parks Commission</p>

Explain briefly why you would like to be appointed to this board or commission.

I believe have four key qualities that demonstrate my ability to serve on this commission with great success:

- * Passion for our public recreation – I’m a lifelong customer of the Reno park facilities – from the Idlewild merry-go-round to playing middle school volleyball at EMCC and so much more. My parents taught me to value and take care of our parks from a young age, and I aspire to do the same with my own children. My current favorite park is Manzanita Park – it’s so beautiful!
- * 15 years of “hard core” finance & operations experience – I began my career in a selective financial analyst program at Apple in 2009, receiving my CPA while working in the Internal Audit department. Most recently, I completed almost a decade as the leader of the Gigafactory Nevada finance team. I’ve prioritized managing financials and controls from a first principles basis, ensuring a “no surprises” mentality, and a steadfast ability to educate the teams on complex financial topics. I want to ensure the parks department has a budget that meets the needs of our community.
- * Results Oriented, Respectful Collaborator – My work experience has required immense collaboration and integrity across all teams at Apple & Tesla. I’ve always created a respectful, yet challenging environment where all opinions are heard and evaluated. Great ideas and proposals need to withstand the questions of all, to ensure we drive to the best results for our community.
- * Mom of 3 – I’m a mother to 3 young children, the hardest and most rewarding job of all. This requires not only incredible organization & leadership (and lots of park visits) but also a good dose of imagination, patience, humor – all attributes I bring to this board.

I want to serve on this committee to continue to ensure the success of the department, but also to show my children the value of volunteer work and dedication to our community. It would be a true honor to serve on this committee.
