Explain briefly why you would like to be appointed to this board or commission. Please attach any additional information you wish:

I moved here 4 years ago hoping to build my business of helping other founders build their businesses. I work with B2B tech companies developing corporate strategies that drive predicatale revenue and growth.

I felt that Reno had so much potential to continue to grow in the area of technology, creating jobs, revenue, and as remote work became a thing, a great place for people to relocate to.

I haven't seen as much growth as I would like. Most of my clients are from other states, there still isn't a solid foundation to help tech companies relocate or offer up reno as an option. Infrastruccion in the North Vallay area is behind it's more chic wards down south. We don't have good options for dining out, night time activities, or even shopping.

I love my neighborhood, my view of Peavine, and my neighbors. But I would love to see this area grow and prosper more and think I could help by being on the Planning Commission
