Name of Board or Commission for which you would like to apply: (Required)
<p>*</p> <p>Redevelopment Agency Advisory Board</p>

Explain briefly why you would like to be appointed to this board or commission.

I am extremely excited to put forth this application to the City of Reno Redevelopment Agency Advisory Board because I can bring to bear a wide range of government, private sector, non-profit, and arts experience to the challenges and opportunities associated with making Reno a great place--to live, to visit, to invest in, and to grow. Reno has experienced more than its fair share of ups and downs over the twenty-five years I have called it home, and I am convinced that its greatest days are still ahead. But it will take concerted effort by leaders with strong programmatic focus and strategic investment to positively develop and grow the parts of the city governed by the Redevelopment Agency Advisory Board. I have background in creative placemaking, parks and outdoor recreation, and the arts and believe strongly that what makes a place great to live in also makes it desirable to visit. Equally important, investments in these kinds of quality-of-life indicators is what helps the businesses that are contributing to our city's growth recruit and retain good talent in our region, which reinforces the quality of the place. I will take the RAAB seriously, and participate actively.

Relevant Education or Training

Background in: art, design, and non-profit cultural organizations; University of Nevada, Reno teaching and administrative experience; experience working in mid-large cap technology; experience in private development corporations; local and state government experience; and experience leading creative placemaking initiatives that have contributed to the City of Reno's cultural master planning processes.
