Explain briefly why you would like to be appointed to this board or commission. Please attach any additional information you wish:

Thank you for considering my application. I have served terms on the NAB and CAB for the North Valleys for over 15 years. I have a clear understanding of the levels of governmental actions and cooperations among City, County, State and Federal resources and agencies to accomplish our goals. I was part of the community involvement for developing the current Master Plan. As part of my role on NAB and CAB, I have passed on factual information to our neighbors on how the Planning process works, how they can effectively voice their concerns and try to dispel myths and rumours and outright lies spread among our community that do not help us accomplish our collective goals. I have used my position as a board member to bring consensus and thoughtful consideration of opposing ideas. Some of the best actions result when we listen and consider other points of views to come to a collective decision. It is my hope that we can continue to educate our constituents how the process works to reduce frustrations and promote better communication.

I certify that, to the best of my knowledge, the information I provided in the application is true. If the information provided is false or incomplete, it shall be sufficient cause for disqualification or removal. If appointed, I agree to attend a board or commission orientation session, if applicable, within six months of my appointment. I understand that failure to comply with this requirement will result in automatic removal from the board or commission.
