The public comment form has a new entry from the public:

Planning Commission Meeting Date: 2024-12-11

Agenda Item or Case Number: Could not find it

Comments:

We know that businesses along Virginia Street are struggling if they do not have a sign about them on Virginia Street. For example the businesses at 6775 Sierra Center Parkway have no sign on Virginia to advertise them and we as landlord have been turned down to add another sign for them beside Target sign.

RENO CITY COUNCIL AND SPARKS CITY COUNCIL

DEAR MEMBERS,

I HAVE LIVED IN THE TRUCKEE MEADOWS FROM 1950 TO DATE (almost 75 years) AND WAS EMPLOYED AS A BRAKEMAN AND CONDUCTOR BY THE SOUTHERN PACIFIC RAILROAD DURING THE YEARS 1952-1993. I CAME HERE FROM PENNSYLVANIA DURING THE WINTER OF 1950-1951. I AM NOW 98. IN THE INTERVENING YEARS, I WAS A PITCHER FOR THE RENO SILVER SOX 1951, IN THE FAR WEST LEAGUE AND BECAME AN AVID HISTORICAL BUFF OF THE SEVERAL EMIGRANT TRAILS AND OTHER SIGNIFICANT EVENTS.

IN 1868, THE CENTRAL PACIFIC RAILROAD CROSSED THE TRUCKEE MEADOWS, THE OFTTIMES FLOODED VALLEY. BY PASSING IT TO THE NORTH WHILE VERY CLOSELY PARALLELING A ROAD (50 FEET?) WHICH IN LATER YEARS WOULD BECOME KNOWN AS THE LINCOLN HIGHWAY.

OF COURSE I AM NOW REFERRING TO:

THE CENTRAL PACIFIC RAILROAD:

Connected by:

- 1: Virginia and Truckee Railroad (south)
- 2: Nevada, California and Oregon Railway (north)

This portion of the transcontinental railroad was constructed in the areas now known as:

- 1: Fourth Street in Reno
- 2: Prater Way in Sparks

MY PROPOSAL

I request that the City Councils place this matter on their agendas in the near future.
If this proposal results in acceptance, a name change could be:

“ That Fourth St in Reno and Prater Way in Sparks, be renamed and BE COMBINED IN NAME ONLY AND BE HENCEFORTH KNOWN AS EITHER

1: Central Pacific Boulevard OR

2: Central Pacific Way”

THANK YOU FOR YOUR INDULGENCE.
Respectfully yours,

Stan Kauffman

Subject: Reno City Council Item D.2 - Santerra-Quilici Railroad Crossing Corrected Information

Hello!

I am reaching out because I just finished listening to the December 4, 2024 Reno City Council Meeting and item D.2.

This item concerns the Santerra-Quilici Development and the UPRR Crossing. During this item the Development Services Assistant Director presented information that was inaccurate.

It was stated during the questioning by Councilwoman Duerr that traffic will not, "Go through the crossing to get to I-80" and this is incorrect. To access I-80 West, traffic WILL utilize the a UPRR Crossing - either at the terminus of Crystal Park Road or Bridge Street.

This was discussed during the 12/16/2020 Reno City Planning Commission Meeting and included in Santerra documents and will create over 3,000 ADT's. I've attached the minutes below.

I would like to request that this information be included in the record for this topic and that the minutes from the December 4, 2024 Reno City Council Meeting be corrected

to note this information.

Sincerely,
Dee Ann Radcliffe

I.1.1.e**Minutes****Reno City Planning Commission****December 16, 2020**

Mark Rotter, Manhard Consulting, answered questions from Commissioner Gower regarding secondary access and other traffic concerns. The secondary access that comes from the upper portion of the site goes up the hill to the future school site and Village 7. Most of the traffic in the upper level will exit out Garson Road. The majority of traffic will head toward Reno. Traffic that goes west will have to go through the existing street system. He explained they have been working with the railroad for about a year and are looking at a couple of different alignments that could also solve the secondary access issues.

Paul Solaegui, Solaegui Engineers, answered questions from Commissioner Gower regarding traffic impacts. Around one fifth of the overall traffic of the Santerra/Quilici project could be oriented toward the Half Diamond Interchange with roughly eighty percent off of Garson Road. The current application for Santerra/Quilici is about 12,000 ADT so one fifth is a little over 2,000 cars that could be oriented that direction. The intersections do have sufficient capacity to accommodate those volumes and still meet the Level of Service (LOS) standards. The current volume on S. Verdi Road at the Half Diamond Intersection is 300 existing average daily trips (ADT) under the bridge. This project will add 1,675 trips under the bridge. To the south of the bridge the increase will be 3,050 ADT, and that is what would be applied to the railroad crossing. Those increases seem large, however, the existing LOS at the on and off ramps at the Half Diamond Interchange are LOS A. With the cumulative project traffic the LOS stays in the B range.

Mr. Baker answered questions from Commissioner Johnson regarding the need for another secondary access to the south for the future area of Village 12. As proposed currently there is secondary access through an existing rail crossing. We have been working with the railroad and have yet to get a final determination on whether or not this access all the way to the south is something that will be viable for them. Because of that uncertainty, we have come up with a few different routes in order to fulfill that condition. If for some reason the railroad does not allow us to utilize the existing crossing to the south, we would provide secondary access on the same access route for the tank site and tie it back in to the development to fulfill that condition.

Mr. Gilbert answered questions from Commissioner Marshall regarding whether or not the Nevada Department of Transportation (NDOT) will be improving the Garson overpass. The bridge is identified for improvement but it will be significantly out in the future.

Thank you for looking at the enforcement of loud vehicles. It is a constant nuisance at my office by the airport-I hear the loud vehicles (cars and motorcycles) more than the planes. I also bike ride and walk, only to get my ears blown out when one passes by.

On behalf of KWNK Community Radio, we sincerely thank the City of Reno for supporting our Jazz + Indie Mind Meld event held at The Holland Project on December 7, 2024. This free, all-ages celebration of jazz's influence across genres brought together diverse community members to enjoy live music, crafting activities, and local refreshments. With the City's support, we ensured accessibility for all attendees, including a live broadcast on KWNK 97.7FM and global streaming on KWNKradio.org, allowing participation beyond the in-person event. We are also thrilled to have received the City of Reno Arts & Culture Event Grant for 2025, which will allow us to continue expanding our efforts to showcase local talent and foster community engagement. Your ongoing

support empowers us to bring meaningful cultural events to Reno and enrich the city's vibrant arts scene. Thank you for your commitment to supporting arts and culture in Reno. We look forward to continuing our partnership and delivering impactful programming for our community.

Questions & Comments: I am a resident of Ward 6, and I strongly oppose items E1-E4. I have lived downtown and work at a business right next to the river, in an area where people often camp to survive. The escalating punishment of locals who are trying to survive is abhorrent.

If you answered "Yes" to the previous question, please provide your public comment in the Question & Comments box below.:

Do you wish to provide public comment for this City Council Meeting?: Yes

Are you attending the meeting as a: Member of the public

Questions & Comments: I don't agree with expanding the criminalization of homelessness by imposing fines and jail time for individuals who are unhoused. These individuals should not be punished for existing in a city that hasn't prioritized addressing skyrocketing housing costs.
