I am against ADUs. They are unsightly, degrade neighborhoods, and don't solve the housing problem. The BLM needs to release more land to build. After all over 80% of Nevada land is Government owned. As an Real Estate investor I feel ADUs would signal an exit point for the Reno market. Read the article the Nevada Policy Institute prepared about affordable housing.

I strongly oppose this!!! Drive around the area after 5:30, and see how Gordon Ave becomes impossible to drive on!!!! Too many rentals, with too many cars!!!
