Explain briefly why you would like to be appointed to this board or commission.

As a member of the RAAB, I believe I would be able provide firsthand insight and guidance to the RDA regarding the opportunities and challenges presented to the properties and businesses within the Brewery District. Over the past 9 years, I have been working to restore and develop properties across Reno, with the majority of the projects taking place in the Brewery District. I have experienced the difficulties local investors face trying to preserve the historical characteristics of the Brewery District, while navigating high construction costs and inability to easily obtain traditional financing due to the prior industrial nature of the Brewery District. As a recipient of the City of Reno’s Façade and Tenant Improvement Program funding, I have witnessed the benefit of the City of Reno’s efforts to partner with local investors and developers to assist in improvements that would not be feasible without the City’s support.
