Explain briefly why you would like to be appointed to this board or commission.

After moving to Reno in 1981 from the San Francisco Bay area and graduating from the University of Nevada – not only did I choose to stay in Reno, but my entire family (mother/father and siblings) all eventually relocated here as well. Furthermore, my wife and I have raised our 4 children here – who all currently live in Reno as adults. I am obviously embedded/invested in the City of Reno and plan to live out the rest of my life here. Although great work has been done to transform the economic, social and cultural landscape – there is still much to accomplish. I believe serving on this board could be a great opportunity to contribute to the continued trajectory of the City.
