Explain briefly why you would like to be appointed to this board or commission.

I've been wanting to be involved with City planning efforts here in Reno for quite a while. I watched a segment on the local news last night which profiled the RRA and it seems like a good fit with my experience. I'd like to learn more about the role and meet some members if given the opportunity.

I moved back to Reno (where I grew up) three years ago and would love to contribute positive ideas for our city. This position seems like it might be an effective way to do so.
