## Explain briefly why you would like to be appointed to this board or commission.

I have lived here 4 years and met amazing people through personal, business and political contacts. I see there are so many areas that people are divided and strongly opinionated on. I tend to be the moderator and my primary focus is to get people to be more informed and more actively involved. I have wonderful friends and neighbors on both sides of the political aisle. I try to be a voice of reason and it seems to be working.
