**Section:**

F Items - Ordinance Adoptions

**Item:**

F.1.

**Position:**

In opposition

**Are they speaking in person?**

No, I am submitting a written comment only.

**If no, enter comments below:**

Please continue to expect and clarify requirements from developers, to work with and uphold past agreements with wild horse advocacy groups such Wild Horse Connection to protect wild and/or feral horses. Directing the decision to the NV State Ag Department is not expectable. Require the developer to continue to work with Wild Horse Connection to determine where the fencing is to be. The discussion of if the horses are wild or feral should not detract from the need to do what is best for the community and the horses.
