Advise Sunny Hills to work with advocates to provide an alternative water source, or an alternative water source on their land, it is Not illegal to water the Virginia Range Wild Horses. It should be clear providing water is Not illegal. The City must consider future development and how access to water will be addressed, so we do Not have a repeat of dehydrated horses, removed horses and lack of cooperation for placing alternative water sources. Advise Sunny Hills to be a better community partner in respect to the history and culture of the area and what is important to our community members. \* Want Safer Roads \* Want Safe and Free Horses \* Do Not Want Horses Rounded Up and Permanently Removed, or the Risk of being sent to Slaughter in Mexico. \* Do Not Want Horses or Other Wildlife Dying of Thirst. I am in Favor of Providing Water to the Virginia Range Wild Horses. I Oppose Denying the Virginia Range Wild Horses Water. Water is Life, for All Wildlife!!!
