Education or Training Relevant to the board or commission to which you are applying:
I have a BSN in Nursing and semi-retired at this time.

I recently obtained my substitute teaching license with the State of Nevada, for the Washoe County School District.

Explain briefly why you would like to be appointed to this board or commission. Please attach any additional information you wish:

As a long time member of the Reno community, I would like to get more involved with the city. I have attended multiple events and functions over the years and have enjoyed all that Reno has to offer. Since I am semi-retired I can become more involved with events, issues, and decisions happening around the area.

Recently, I made contact with Mayor Shieve and Jackie Bryant regarding my concerns of pets/dogs burnt paws on the hot asphalt around Reno. As we know, things are heating up rapidly and I'm finding people are not aware of how easily dogs paws can be burnt by both the white and black pavement. City Manager Jackie Bryant is working on some signage to place around the city to educate the community. I am so thankful I made the concern known to both of them and their actions have spoken volumes to me!

Their compassion has prompted me to want to get more involved with them and the city.

I certify that, to the best of my knowledge, the information I provided in the application is true. If the information provided is false or incomplete, it shall be sufficient cause for disqualification or removal. If appointed, I agree to attend a board or commission orientation session, if applicable, within six months of my appointment. I understand that failure to comply with this requirement will result in automatic removal from the board or commission.
